

Welcome to the Briarcliff Manor Union Free School District curriculum website. You will find a unit calendar of most subjects at every grade level, K-12. Many curriculum maps are presently being created and revised to reflect changes in our curriculum. This tool will help you gain an overview of the curriculum.

A curriculum map is a tool for organizing what Briarcliff Manor Union Free School District expects students to know and be able to do in each subject, each year. A unit calendar outlines the name/topic of the unit and when it will be taught throughout the school year. As you can imagine, a two-dimensional map cannot capture the rich, multi-dimensional curriculum we teach. We hope that you will find this information valuable as a resource for understanding what our students are learning.

Our curriculum maps are not individual lesson plans. These curriculum maps are broad outlines of what students need to know and be able to do each year. Maps are collaboratively created by our teachers, who spend many hours reaching consensus about the curriculum that is essential for our students.

These maps are still in the development phase and more components will become available over time.

Sincerely,

Dr. Jasmine McQuay

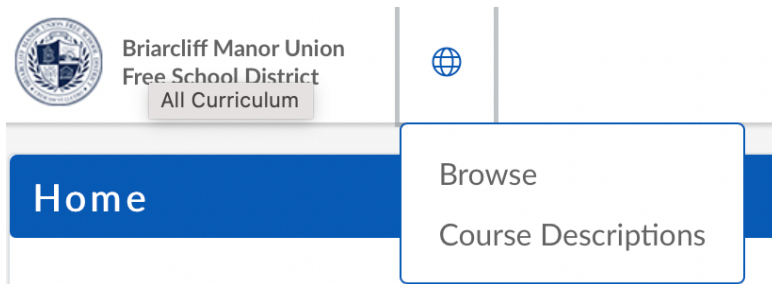

Director of Curriculum and Instruction

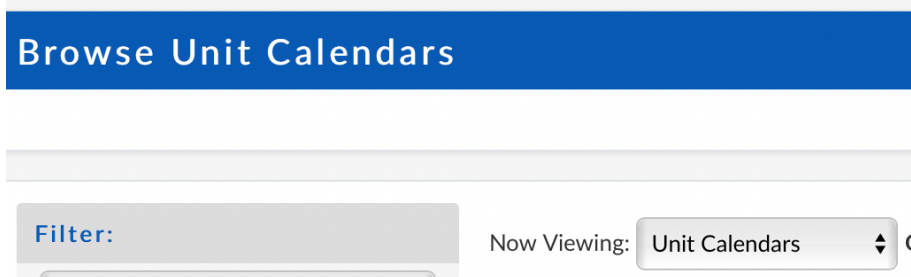

How to Sheet for Parents

1) Click this [link](https://briarcliff-public.rubiconatlas.org/Atlas/Public/View/Default) to access: <https://briarcliff-public.rubiconatlas.org/Atlas/Public/View/Default>

2) Click the Globe icon at the top left corner of the webpage.

3) When you click on the globe it will take you to the unit calendar for the available courses.

4) You can filter by school, grade, or subject to see the Unit Calendars that are available.
