Notes from the Governance and Flexibility Team

*** All newly elected SGC members must attend training and non-FCS employees must be background checked (these checks occur on-site during trainings). Due to the self-quarantine, new members will get a personal email from governance facilitators about upcoming training sessions and where to sign-up for them. Click [here](#) to access the Transfer of Knowledge Toolkit to support new member transition.

**** Strategic Plan Monitoring tools should be updated at least once more before the end of the semester. Visit your monitoring tool at each of your remaining council meetings and continue to work with your council on making progress with your initiatives towards your strategic outcomes. Please complete the tool *as best* as you can at this time.

Officer Training (Required for All Council Officers)

Our Chairs, Vice-Chairs and Parliamentarians serve as leaders on their councils and liaisons within their communities. This training will offer our officers the opportunity to learn from the Governance Team and each other about council responsibilities and tactics for focusing the work of their teams on the strategic vision of their school.

Cross Council Opportunities

The Governance Team is excited to share with you that we will be hosting a series of Cross Council meetings meant to support SGCs with the task of aligning their work for the school year to the strategic goals and initiatives of their specific school as well as those of the district. These sessions will offer members the opportunity to work and hear from councils around the district and engage in discussions with the Governance & Flexibility Team. The meetings will take place in-person at the dates/times/locations below. We encourage all SGCs to select up to two members to attend one of the sessions and register to attend using the links below. Note, each session will cover similar content, so your team does not need to register for multiple sessions.
