

Maverick Moments January 2025

A New Year of Growth and Achievement: A Message from the Superintendent

As we welcome 2025, I am filled with optimism and gratitude for our wonderful communities here in Mohall, Lansford and Sherwood. While the cold weather may be upon us, it is heartwarming to see the warmth and support that radiates through our close-knit communities. It always impresses me how people come together to help and support those in need, those struggling. Together, we share a common goal: to support not only our children but also one another as a community.

I want to take a moment to express my heartfelt appreciation for our dedicated school staff. Their commitment to our students and passion for education are crucial in shaping the futures of our children.. Each day, they motivate, support, and challenge our students, ensuring they are well-prepared for the opportunities that lie ahead.

As we embark on the second half of the school year, we have so much to look forward to. While we have accomplished a great deal since the start of the year, there is still a wealth of potential waiting to be unlocked. This is a prime time for student growth, big achievements, and memorable experiences. I am particularly excited for our seniors, who are nearing the finish line of their high school journey. I have no doubt that they will finish strong, ready to take on the world and make their mark.

Thank you, families and community members, for your continued support and encouragement. Together, let's make this year a memorable one for our students. Here's to a bright and promising 2025!

Warm regards,
