2025 VETERAN BRICK ORDER DEADLINE FEBRUARY 1ST

Commemorative Veteran bricks are still for sale. The annual order deadline of February 1, 2025 is rapidly approaching.

The price for an 8" x 4" gray concrete brick with black engraving is \$100 each in cash or check made payable to the Putnam Veterans Advisory Committee (VAC).

Two layout choices are available (samples below), with three lines available on each brick:

1st layout includes alpha and numeric characters. 20 TOTAL spaces are available per line.

2nd layout includes alpha and numeric characters AND a military themed logo. 15 TOTAL spaces are available per line (because the logo takes up space).

Not sure what to put on your brick? Enjoy a quick walk through the park, located on the corner of Church & Bridge Streets for inspiration and ideas. Congregation B'nai Shalom has been a generous neighbor throughout this project and offers their parking lot for visitors to use when they do not have a service or activity going on themselves.

With an enormous amount of service from our area, there are more veterans to be honored in the park. The Putnam VAC wants to include them all.

Bricks will continue to be sold each year from November 11th through February 1st.

With the cooperation of Mother Nature, steadfast volunteers, and Ellis Tech masonry students, these bricks will be added to the park by late Spring.

Find downloadable and printable forms at the Town website on the VAC webpage:
