

Family 5E FAQs

Question:

Is there a way to see how many parents have responded in real time?

Answer:

Education Insights receives an updated report weekly, which can then be requested by the schools.

Question:

Are parents provided with an individual code?

Answer:

Parents are provided with a URL but not an individual code.

Question:

How long does the survey take?

Answer:

15-18 minutes depending on language and reading factors. Should not be more than 25 minutes.

Question:

Are schools allowed to give families some instructions on the survey?

Answer:

5E cautions against further explanation. However, in unique environments, some further explanation can be given when needed.
