# Igniting Potential: **THE IMPACT OF SITE COMMUNITY LIAISONS**

+

---

Supporting Joy, Belonging,  
Integrity, Service, and Innovation  
in Our Schools

# Who Are Site Community Liaisons?

- Liaisons bridge families, students, schools, and the community
- Aligned with our district's vision to ignite limitless potential
- Create joyful, supportive environments that foster a sense of belonging

# Fostering Community Partnerships

- Boost and Gifts of Hope
- Un mar de Colores
- City of Encinitas: Jr. Lifeguards
- Encinitas Soccer Express Club
- Encinitas Public Library
- Casa de la Amistad
- Los Angelitos
- The Parent Institute for Quality Education (PIQE)
- Easter Seals
- Mira Costa College

# Supporting Healthy Students

01

We work very closely with: teachers, school health techs and district nurses, medical and dental providers in the community.

02

We work hard to find Mental Health resources, and support the referral and application process. We find all kind of resources for families in crisis.

03

Support with registration for childcare, scholarships for sports activities, tutoring services, food resources.

04

Support the organization and promotion of the Health resource fair at EUSD and Medical Mobile Services.

# English Learner Advisory Committee (ELAC)

# BELONGING

Community liaisons bridge the gap between schools and families, fostering stronger partnerships that support student success.

# SERVICE

By connecting schools with local resources, community liaisons ensure students and families have the support they need to thrive academically and socially.

# THANK YOU!
