6th Grade Elective Sign Up

2024-2025

Complete form due: Thursday, August 28th, 2024

Student First & Last Name _____

Teacher _____

Schedule:

Weekly: Fridays from 11:40-12:45pm

Daily: For three weeks in May/June

Musical Theater - Mr. Dickinson and Ms. MacGregor

Dive into the exciting world of musical theater, where acting, singing, and dancing come together! In this elective students will explore fundamentals of theater arts with a focus on musical production. Throughout the course students will learn the basics of acting, stage presence, character development, and storytelling. Students will practice choreography, develop coordination and rhythm. During the final three weeks of the elective when students meet daily they will finalize preparations for a fully staged musical to be shared at the end of the school year for family, friends, and the school community.

Imagination Campus - Mrs. Overlock

Unleash your creativity and dive into the exciting world of STEM with a focus on innovation and imagination! This elective encourages students to think outside the box, combining their creative ideas with STEM principles to solve problems, design projects, and explore new concepts. In this course students will participate in things such as designing and building projects, working in teams to tackle engineering challenges, and exploring coding and robotics. Students will be a part of choosing projects and experiences during this elective. During the final three weeks of the elective, students will meet daily and finalize preparations for a culminating showcase and/or competition with guests of family, friends, and the school community. Students will also participate in a culminating imagineering experience with a day trip to Disneyland.

Please select one:

- ☐ Musical Theater
☐ Imagination Campus

I have read and understand the 6th grade elective choices. I have selected my choice for my elective for the remainder of the school year above.
