Mr. Sherwood added a thank you for PTO monetary contribution to PBIS. Some funds going to "mystery motivator" where more students can be reached. Tickets that were not winners were used to provide approx. 40 students with small gifts such as pop-it and keychains.
- Treasurer's Report-Reminder teacher wish lists can be submitted for reimbursement. Spirit Wear was not as profitable as hoped for unknown reasons. 214 items were sold for a profit of \$428.00. Non-profit taxes were completed and the tax preparation fee this year was \$900.00. This seems a little high. We may shop around for better pricing for next year.
