

Tarkington ISD

Counseling Services

For Your Information

You may wish to receive outside counseling services that the counselors at TISD cannot provide, or may wish to have information for friends or family members regarding the counseling services offered in or near the Tarkington area. The following is a list of many places that provide counseling. It is not a complete list and there may be others in the area that better suit your needs. Please remember that this is not a referral of services and we cannot guarantee that these companies are currently accepting clients.

Any information is subject to change, so please contact the provider for any questions that you may have.
