January News

We hope everyone had a happy, healthy and restful Christmas holiday, and we wish you all a New Year filled with many blessings!

Don't forget! Re-enrollment for next year is now open. Please follow the guidelines provided in Mrs. Williams' December 9 email. If you know of anyone who is interested in our preschool program, please have them contact the preschool office to schedule a tour.

As we head into the winter season, please monitor your child for illness. If your child is not feeling well, or is not acting like him/herself, please keep them home. As a reminder, children must be symptom-free (without fever-reducing medications such as Tylenol) for a minimum of 24 hours before returning to school. Thank you for doing your part to keep us all healthy!
