NEAS: None

ABSENT: Mrs. Asevedo and Dr. Lewis,

Mr. Egan continued as Insurance Committee chair by introducing Mr. Hugh Harlton, Purchasing and Insurance Coordinator, to present the next agenda item of Renewal of Excess Workers' Compensation Insurance. Mr. Harlton recommended that the School Board accept the proposal from State National Insurance Company as presented by Clements Insurance Services, LLC our agent of record for a price of \$38,449.00. In addition to the 2016-17 rate given by State National Insurance Company, an extension was offered for the 2017-2018 fiscal year at a small increase (.103 this year to .1133 next year, approximately \$42,293.00 for the year).

Mr. Harlton addressed all questions of the Committee.

On motion by Dr. Craft, seconded by Mr. Long, the Committee voted without objection by a roll call vote of the members present to recommend to the Board to authorize the Administration to renew Excess Workers' Compensation Insurance with State National Insurance Company through Clements Insurance Services, LLC for the period of July 1, 2016 through June 30, 2017 for a premium of \$38,449.00, which includes an extension for the 2017-2018 fiscal year at a small increase (.103 this year to .1133 next year, approximately \$42,293.00 for the year).

Mr. Englande as chair of the Finance Committee welcomed Mr. David Fernandez, School System Finance Manager, to discuss with the Committee the adoption of the 2016 Millage Rates. Mr. Fernandez stated to the Committee that he has been notified that 2016 is a re-assessment year. This

means that the millage adoption process gets extended a bit while the assessor goes through the reassessment of properties in the parish and submits those results to the legislative auditors. The legislative auditors will let Mr. Fernandez know when the information is ready to be presented to this Board. As soon as that word comes to Mr. Fernandez, which may precede the next scheduled Board meeting, he plans to immediately advertise for the public hearing that is required before the presented millage information can be adopted. Mr. Fernandez hopes that this agenda item informs Board members of any public notices that may appear in the Official Journal and will allow the millage adoption process to take place in a timely fashion. All questions by the Committee were addressed by Mr. Fernandez.

Mr. Englande continued as chair of the Finance Committee and welcomed Mr. Harlton to discuss the Administration's request for permission to advertise for bid, musical instruments. Mr. Harlton explained that with increasing numbers of students there is a need for middle and high school instruments.

Mr. Campbell moved to approve the Administration's request to advertise for bid, musical instruments. Seconded by Mrs. Lemoine, the motion passed unanimously by a roll call vote of the members present.

Mr. Englande, again continued with Mr. Harlton to discuss the Official Journal bid tabulation. The only proposal was from the St. Bernard Voice at the cost of \$2.94 per columnar inch and \$2.94 per square to publish all minutes and public notices. Mr. Harlton stated that the Administration recommends the St. Bernard Voice as its Official Journal.

Mr. Warner moved to recommend to the Board to accept the proposal of the St. Bernard Voice as the School Board's Official Journal for the fiscal year 2016-2017. Seconded by Mrs. Dysart, the motion passed by a roll call vote of the members present with no objections.

Mr. Harlton next presented the tabulation of bids for Vehicle painting and body repairs for July 1, 2016 through June 30, 2017. Two bids were submitted. The Administration recommends the low bidder – Car Craft Inc.

On motion of Mr. Long and seconded by Mr. Egan, the Committee voted by a unanimous roll call vote of the members present to recommend to the Board to accept the Administration's recommendation of Car Craft as the provider of Vehicle painting and body repairs for School Board vehicles for July 1, 2016 through June 30, 2017.

Mr. Harlton next presented the Committee with the tabulation of bids for gasoline, diesel, lubricating oil, antifreeze and transmission fluid for the fiscal year July 1, 2016 – June 30, 2017. Mr. Harlton stated that FleetCor was the low bidder for both gasoline and diesel fuel and therefore was the Administration's recommendation. Mr. Harlton noted that for lubricating oil the award goes to Retif Oil based on their bulk price of 825 gallons and the price of a single 55 gallon drum. He announced that for the bulk price of lubricating oil Retif Oil was the low bidder at \$5.75 per gallon while the low bidder for the 55 gallon drum at \$372.25 each. For Anti-freeze Mr. Harlton stated the Administration recommended Davidson Oil with a low bid of \$6.33

per gallon and \$348.00 per 55 gallon drum. As the low bidder for transmission fluid, Gaubert Oil was the low bidder with a price of \$28.19 per gallon and \$1550.45 per 55 gallon drum.

Mr. Warner moved to recommend to the Board to accept the recommendation by the Administration to have the low bidders; Fleetcor provide gasoline and diesel, Retif Oil provide lubricating oil, Davidson Oil provide antifreeze and Gaubert Oil provide transmission fluid for the fiscal year of July 1, 2016 through June 30, 2017. Seconded by Mr. Long, the motion passed by a unanimous roll call vote of the members present.

Mr. Harlton next presented the bid tabulation on Bus Parts for the fiscal year, July 1, 2016 through June 30, 2017. He stated that 7 bids were received, bids were awarded to the lowest responsive bidder on each category of parts.

Mr. Warner moved to recommend to the Board to accept the Administration's recommendation to award the Bus Parts Bid to the lowest responsive bidder on each category of parts. Seconded by Mrs. Lemoine, the motion passed unanimously by a roll call vote of the members present.

For the Solid Waste Disposal Bid Tabulation, Mr. Harlton stated that six (6) bids were received to collect and dispose of solid waste for the fiscal year, July 1, 2016 through June 30, 2017. After comparison, the Administration recommends Pelican Waste and Debris for a price of \$110,735.82 with the option to extend that price for two additional years.

Mr. Campbell moved to recommend to the Board to approve the Administration's recommendation to award the Solid Waste Collection and Disposal to Pelican Waste and Debris for a price of \$110,735.82 with the option to extend that price for two additional years. Seconded by Dr. Craft, the motion passed unanimously by a roll call vote of the members present.

Mr. Englande welcomed Mr. Jason Dewey, Supervisor of Building and Grounds, who would be presenting the bid tabulation for paper, cleaning and custodial supplies. Mr. Dewey stated that the Administration recommend accepting the lowest responsive bidder in each category.

With a motion by Mrs. Dysart and seconded by Mr. Long, the Committee voted unanimously by a roll call vote of the members present to recommend to the Board to approve the lowest responsive bidder in each category of the paper, cleaning and custodial product bid tabulation.

Under Superintendent Recommendations Ms. Voitier noted that there was a smooth closing of school and a very quick opening of summer activities. Ms. Voitier also reminded everyone to attend the upcoming Production of Beauty and the Beast.

On motion of Mr. Campbell, seconded by Dr. Craft and passed by a unanimous voice vote, the meeting was adjourned.

Dr. Craft next welcomed Ms. Voitier to present the June 2016 Personnel changes. Mrs. Dysart congratulated Ms. Darlene Salvage on her retirement and thanked her for her years of service.
