MCEC Field Day was a blast! Students and staff came together for a morning filled with exciting activities, friendly competition, and teamwork. From dodgeball to bean bag tosses and group challenges, everyone gave it their all while cheering on their homerooms. This field day encouraged strategic thinking and physical exercise, and was enjoyed by everyone involved. Please thank the Summer Leadership Class for making it possible.

Homecoming 2024

A Night in Paris

This year's homecoming at MCEC was themed as A Night in Paris. From the dazzling Eiffel Tower decor to the Parisian ambiance, this homecoming portrayed the beauty of the French city. Great food, music, and lights created an enchanting event. Participants were asked to dress semi-formally, but the idea that our school prides itself on presentation is almost common knowledge. Congratulations to the 2024 Homecoming King and Queen, Ricky Merida Nieves and April Lamonds. This year's social was an overwhelming success. Be sure to thank all students, staff, and community members involved for making this a night to remember.
