6 Return registration form to SKHS - greene@skschools.org

What's your plan for after high school?

After high school, I am considering: (check one or more options)

Apprenticeship

2 year/Community College

4 year University or College

Technical College or Career School

Military (which branch?) _____

Work Force

If you are considering college or university, which schools are you looking at?

Are you a College Bound program student? YES NO

Would you be the first in your family to go to college? YES NO

Are you interesting in playing sports at the college level? YES NO

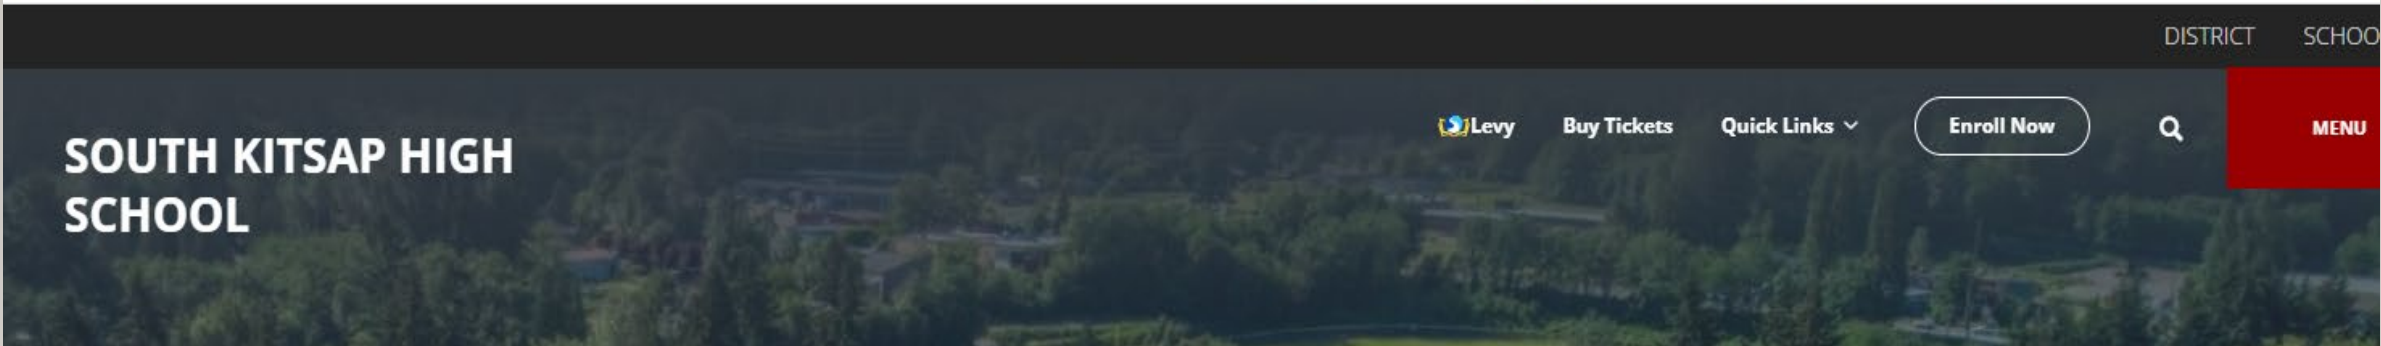

If you are planning to enter the workforce after high school, where would you like to work?

Your final schedule will depend upon class availability.

Some classes have fees, see course catalog for details.

You've taken the first step towards a great year at SKHS!

GO WOLVES!

- Spanish Language & Culture
- Statistics
- U.S. Government
- U.S. History
- World History

Final thoughts on registering for Senior year:

- 1- Review student's credit check (they will all get a copy in February)
- 2- Look at course catalog online – review all options!
- 3- *Turn in registration form by Feb. 28 to your US History teacher!*

Call, email, meet with your counselor if you have questions!

Life After High School WHAT'S NEXT?

Junior year = preparing for what is next

- Military - *Military Mondays*
- Technical/vocational school
- 2-year college
- 4-year college

Military options:

Enlist after high school-need to take the ASVAB

Military Academy-need to start the process this year

Attend college on an ROTC scholarship

Our recruiters rotate visiting our school during lunches on Mondays
Students can sign up in the Career Center if they would like to speak with a recruiter

WHAT ARE VOCATIONAL AND TECHNICAL SCHOOLS?

- A **vocational school** will offer you training and courses to prepare you to enter the workforce as quickly as possible.
- Vocational schools focus on hands-on application of skills needed to do a job.
- You may earn a diploma or a certificate, prepare for a licensing exam, or study to begin work in a skilled trade.
- These schools typically offer programs that are two years or less.
- Provide you with formal classes and hands-on experience related to your future career interests.

Advanced Manufacturing

Hospitality

Health Sciences

Science, Technology,
Engineering and Math
(STEM)

Business and
Communication

Education and Public
Safety

Transportation and Trades

CAREER AND COLLEGE CENTER WITH MRS. NASS!

- **Talk with a College Rep!** Check out the list of college representatives visiting SKHS
- Saint Martins University, BYU Idaho, Eastern Washington Univ., Oregon State University ... Just to name a few!
- Need help with your application or resume to find a job? Schedule an appointment with Mrs. Nass or check out the Jobs section of the Career Center's website for links that can help.

Interested in heading straight into the work force after graduation?

Steps to be prepared:

- **Update your resume!** Students can find resume templates on our grade level Google Classroom or Microsoft Word has great templates or Xello.

Mrs. Nass in the career center will be happy to work with you on your resume!

- **Practice your interviewing skills** with Mrs. Nass in the Career Center

- Senior year, check grade level Google Classroom for opportunities like Banger, PSNS, and Kitsap County job fair.

WHAT ARE 2-YEAR COLLEGES?

Olympic College – OC

Tacoma Community College - TCC

- Community colleges are 2-year institutions
- You can earn an associate degrees.
- An associate degree is designed to be completed in two years and can prepare you to transfer to a 4-year institution.
- Many of them offer certificate programs.
- Two-year institutions generally cost much less than other higher education systems.
- There are more than 40 community colleges in Washington.

WHAT ARE 4 -YEAR COLLEGES/UNIVERSITIES?

- A college or university where you can earn a bachelor's degree.
- Universities are usually larger than colleges and may have larger classes than colleges.
- Both types of 4-year schools usually offer a 4-year bachelor's degree
- **Types of 4-Year Institutions**
- **Public:** Receives public money to ensure that they are affordable.
- Washington colleges or universities will be less expensive than an out of state school.
- They also vary in size, with the majority being middle or large schools with over 5,000 students.
- **Private:** Colleges and universities that are mostly funded through non-government sources.

4-YEAR COLLEGE ADMISSION REQUIREMENTS ... (CADRs)

- **English** – 4 years
 - **Math** – 3 years (Algebra, Geometry, Ad. Algebra)
recommended one level beyond Ad. Algebra
 - **Senior year math-based quantitative course** – 1 credit math or math-based science
 - **Science** – 3 years (2 lab) – (1 must be bio/chem/physics and 1 must be algebra-based)
 - At least two years of the same **World Language**
 - **Social Studies** – 3 years
 - **Art** – 1 year
- ** **WAGAP program** – 3.0 GPA or higher, guarantee admissions to all *but U of W- Seattle and Bothell*

WHAT ARE SELECTIVE 4-YEAR COLLEGES LOOKING FOR?

- More intensive requirements
- Stronger GPA
- Stronger ACT/SAT scores **some test optional
- Rigor of courses taken (average 6+ AP, CiHS, mostly honors)
- At least two or more years of same Foreign Language
- Math through at least Pre-Calculus
- How did you get involved in your community?
 - Did you get involved in high school, and did you demonstrate leadership in any of these activities?
- Essays to show writing skill & character of applicant
- **Letters of Recommendations from counselor & teachers**

NCAA Eligibility – want to play a sport at a Div. I or II college?

- ▶ You should register with the NCAA Eligibility Center (www.ncaa.org/student-athletes/future/how-register) at the **end of your junior year.**
- ▶ The registration fee is \$100.00.
- ▶ NCAA will ONLY accept online registration.
- ▶ You will need to send an initial and a final transcript to NCAA.
