SCHOOL DELAYS AND CLOSINGS

School will either be delayed or closed on days when weather and driving/road conditions are hazardous and dangerous for students and staff. The forecasting and predicting of hazardous weather in Ohio is always challenging, and the decision to cancel or delay school must be made very early in the morning. Delays and closings will almost always be announced by 6:30 AM. If there is no announcement to cancel or delay school by 6:30 AM, you may safely assume that school will be in session.

Parents will be notified by the Telephone Notification System in the event school is delayed or canceled.

If school is delayed, Louisville Schools will only delay the opening of school for two hours. Rarely, if ever, will school be delayed and then canceled. All bus runs and school starting times will simply be delayed by two hours. There will be no AM pre-school when school is delayed for two hours, and no breakfast will be served in any of the school cafeterias.

A two hour delay simply means that school will be delayed by two hours in the morning. Students should report to school or to their bus stop two hours later than their normal times. Buses will "pick-up" students two hours later than the normal pick-up times. School buildings will operate on an adjusted schedule, and students will be dismissed from school at their regular times and at their regular bus return trip times.

The following will have school delays and closings:
 Television Stations: Channels 3, 5, 8, and 19
 Radio Stations: WHBC (AM 1480, FM 94.1)

TOYS FROM HOME

Students are discouraged from bringing toys and electronics from home to school, because we do not want to see their items being lost or broken. If a child does bring something from home with them to school, they are bringing items at their own risk. The school staff is not held responsible for items students are bringing from home.

OUTDOOR RECESS CONTINUES

The snow will soon begin to fall, and it is time to remember to send your child to school with a warm coat, hats, gloves, and boots when appropriate. Students who have boots will be able to play in the mulch on snowy days. Students may change into their gym shoes for the school day. When the wind chill is around 20 degrees or higher at 11:00, our students will have outdoor recess. All children are expected to go to recess, unless they have a medical reason that is preventing them from going outdoors. Recess is an important time of the day for students to have a free play break from the work of school as well as a chance for fresh air.

ROLL OVER CANCER MONTH

For many years, the students at NN have participated in a service project the month of February to help raise money for St. Jude Children's Hospital. As a school event, there will be a skate night on February 13th from 5-9 pm at North Canton Skate and Entertainment Center. The cost is \$10 a person including adults or others outside of our school or district who want to participate in roller skating, laser tag, rock wall, bumper cars and other activities. More information about the skate party will be coming out in the future. The school will also have 4 theme dress up days for a \$1.00 donation for each day.

- Monday, Feb. 10th** - Hat Day to "Cover up Cancer"
- Tuesday, Feb. 11th** - PJ Day to "Put Cancer to Sleep"
- Wednesday, Feb. 12th** - Red Day to "Show Your Love to Someone (Valentines Day)"
- Thursday, Feb. 13th** - Upstander/ Blue/White Day to "Celebrate Our Community Coming Together"

ALL money raised will go to St. Jude through the K105 (WQXK) radiothon. Over the last 17 years, the Louisville City School District has helped the radiothon by donating almost \$73,000 to this great organization. Thank you in advance for helping us teach students the importance of giving to those in need.
