7th	61.40%	59.10%	50.30%	52.20%
8th	61.10%	63.50%	49.50%	51.70%

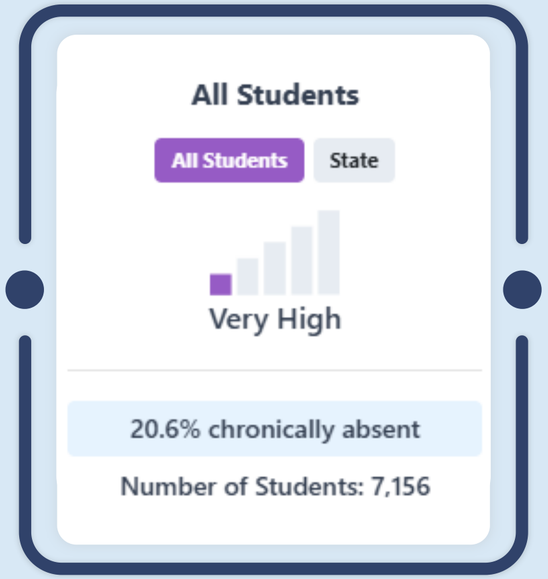

Percent of Students who Met or Exceeded Standards

Key Factors

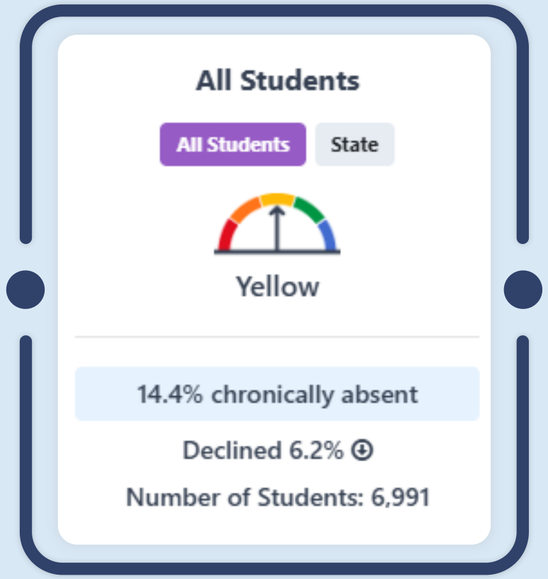

- Attendance Matters
- Changes in Learning Behaviors

Attendance Matters

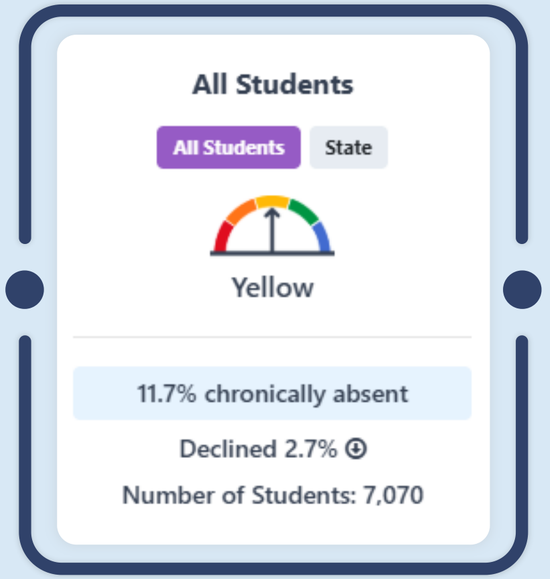

2022

2023

2024

Ocean View has reduced Chronic Absenteeism by 8.9 % since 2022.

Changes in Learning Behaviors

Increased Ability to Process Information

Preference for Interactive and Personalized Learning

Digital Socialization, Collaboration and Pressures to Fit In

"Generation Alpha has very different expectations for the entire world. Everything that's going to happen in their lives needs to be visual, on demand, adaptive, in demand, and we have to find a way to embed that..."

Margo Georgiadis

The Path Forward: Action Steps

1

Curriculum and Instruction

2

Professional Development and Instructional Coaching

3

Family and Community Engagement

Curriculum and Instruction

- Revisiting Essential Standards
- Differentiated Instruction and Student Agency
- Targeted Support for Subgroups

Professional Development and Instructional Coaching

- Instructional Learning Walks and Feedback
- Data-Driven Learning
- Ongoing Professional Development

Family and Community Engagement

Three Activities that Improve Student Performance

Teachers make positive, personal connections with every family

Teachers help families understand their child's performance level

Teachers empower families to support learning at home

"We must use every interaction we have with families throughout the school year to enhance family capacity."

Dr. Karen Mapp, Harvard Graduate School of Education

Commitment to Student Achievement

- Address Learning Gaps
- Improve Chronic Absenteeism and Attendance
- Provide Meaningful Professional Development
- Engage Families
- Monitor Progress and Continuous Improvement
- Listening Sessions
