

It's easy to find an **Access+ HMO** network provider online

At Blue Shield, we believe that finding a doctor should not give you a headache. That's why our Web site, blueshieldca.com, features our most up-to-date listings of personal physicians, specialists and hospitals.

You do not need to log in to find a provider on blueshieldca.com; simply follow the instructions below. If you are an existing member and have registered on the site, log in and you'll automatically be directed to your plan network.

How to find an HMO network doctor

- Go to blueshieldca.com/findaprovider
- Select "Primary Care Physician"
- Select "Continue as a guest"
- Enter your city and state or ZIP code, then click Find now
- Click on "Select a plan"
- Enter the plan year that your coverage will start
- Under "Plan type," choose Access+ HMO, then Access+ HMO as the sub plan, and click Continue with this plan
- Select the type of provider that you are searching for and click Search
- Click on Filter & Sort to further filter your search, such as by name, specialty, facility type, and more
- To get a printable copy of your search results, click on Save Results and select your preference to download the document or have it emailed to you

The default distance/radius search is 15 miles. To expand or narrow the search radius, click zoom (+ or -) in the map on the provider search results page.

How to find the provider ID number

- Click on the provider name of the provider you have selected
- Under "Primary Care Physician ID" click "View details"
- The 12- digit numeric Primary care physician ID will appear in a pop-up window
