

# Owasso Public Schools

## 2025 SCHOOL BOND OVERVIEW

### WHY A SCHOOL BOND NOW?

One of the initiatives identified in the district's 5-year strategic plan is the implementation of Full-Day Pre-K across the district by 2028. To create space at all elementary schools, we will build a 5th Grade Center next to the 6th Grade Center, located on 129th Street.

Additionally, each capital project included in this bond was identified as a need by district leaders during the Long Range Facility Planning process. Between Strategic Planning and Long Range Facility Planning, the elements of this resolution have been carefully thought-out over the last two years with the help of feedback from district parents, teachers, and community members.

### FOR MORE INFORMATION

Those wishing to learn more about the 2025 school bond can scan the QR code at the bottom of the page. All community members are welcome to attend school bond information meetings at 6 p.m. on Jan. 14 and Jan. 30 in the 6th Grade Center Library.

### WHAT IS THE TOTAL COST OF THIS BOND?

The 2025 school bond includes two propositions that total \$197.5 million over seven years. Per Oklahoma law, transportation items must be listed as a separate proposition from other projects.

### EXPANDING THE MILLAGE RATE

The current target millage rate for Owasso Public Schools is 28.75. For this school bond, we are asking the community to expand that target to 31. What does that mean for your pocketbook?

Average Home Value  
in Owasso  
\$250,000

\$5  
More Per  
Month

OR

\$0.17  
More Per  
Day

### MILLAGE RATE COMPARISON

How does a target millage rate of 31 compare to other districts in the area?

Bixby - 34  
Jenks - 33  
Union - 29

Collinsville - 34  
Sand Springs - 30  
Broken Arrow - 29

Scan the QR code to read the propositions, view architect renderings and learn more about how these projects will positively impact Owasso students.
