

LOWER MORELAND TOWNSHIP SCHOOL DISTRICT

*Delivering a nurturing and empowering learning environment,
in which student growth is celebrated and supported.*

Dear Valued Community Members,

As part of our ongoing commitment to provide the best possible education for our students, we are currently engaged in a comprehensive curriculum renewal process. This involves thoroughly reviewing our current educational programs to ensure they align with the latest research, best practices, and the evolving needs of our students and our world.

Community feedback is a crucial part of this process. We believe that the insights and perspectives of parents, guardians, and community members are invaluable in shaping a curriculum that reflects the needs and aspirations of our students.

To gather your feedback, we invite you to participate in our Curriculum Renewal Community Surveys linked below:

- [Art](#)
- [Music](#)
- [School Counseling](#)

Please visit the [Curriculum Department](#) website to learn more about our curriculum review process. I encourage you to take a few minutes to complete the surveys and share your valuable input. Your feedback will play a vital role in shaping the future of education for our students.

Thank you for your time and commitment to our schools.

Sincerely,

Scott Cole

Director of Teaching, Learning, and Community Engagement
