Notes from the Governance and Flexibility Team

*** All newly elected SGC members must attend training and non-FCS employees must be background checked (these checks occur on-site during trainings). Due to the self-quarantine, new members will get a personal email from governance facilitators about upcoming training sessions and where to sign-up for them. Click [here](#) to access the Transfer of Knowledge Toolkit to support new member transition.

**** Strategic Plan Monitoring tools should be updated at least once more before the end of the semester. Visit your monitoring tool at each of your remaining council meetings and continue to work with your council on making progress with your initiatives towards your strategic outcomes. Please complete the tool *as best* as you can at this time.
