## ACADEMICS

Powell High School gives students the opportunity to earn college credit by offering a number of Advanced Placement (AP) and Dual Enrollment (DE) classes.

AP classes are high school courses that follow a rigorous college-level curriculum for which students can earn high school credit; they may also earn college credits with a qualifying score on an optional final exam.

DE classes are college courses for which a high school student is enrolled simultaneously at a postsecondary institution. Successful completion of the course results in both high school and college credits.
