NO SCHOOL MONDAY, JAN. 20

INCLEMENT WEATHER PROCEDURES

WHITE SETTLEMENT
INDEPENDENT SCHOOL DISTRICT

Inclement Weather Procedures and calendar update

Students will not be required to make up the two snow days due to the "banked" minutes that were included when developing the academic calendar.

The safety of our families and staff is always our top priority when making decisions about school closings. District officials consider the following factors:

- Weather predictions
- Road conditions to determine whether buses/cars can safely travel
- The existing accumulation of snow or ice
- The rate and expected duration of precipitation
- Parking lot and sidewalk conditions

We will notify our families about any changes in the school day as quickly as possible. Parents will be notified through SchoolStatus emails and text messages, the WSISD website and social media channels, and local TV and radio stations. Visit the [website](#) for more information.

All WSISD fifth graders can participate in band at the Brewer Middle School Sixth Grade Center, which opens in August 2025. Sign up today to try out an instrument on Instrument Tryout Day Saturday, Feb. 8! No previous musical experience is required; students will learn everything in band class! Try outs will be 30 to 45 minutes.

Calendar of Events

- 1/22 College & Career Day - Wear college, military, or trade school shirt or dress as your future career
- 1/29 Liberty Elementary Pastries with the Principal
- 1/31 Fightin' Bear Band Mixer for band students, 4-8 p.m.

Required Federal Notice Regarding District and School Report Cards

The Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), requires each state education agency to prepare and publish an annual report card with state, district, and campus-level data.

Every district that receives Title 1, Part A funding is responsible for distributing the state, district and campus level report cards to each of its campuses, the parents of all enrolled students and the public. Click the link for the school and district federal report cards.
