Feather River Charter School

2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

2024-25 School Description and Mission Statement

Feather River Charter School (FRCS) opened in the fall of the 2016-17 school year. It is a WASC-accredited, non-classroom-based public charter school authorized by Winship-Robbins Elementary School District in Sutter County. The school serves students in Sutter, Butte, Yuba, Placer, Sacramento, Yolo, and Colusa Counties from transitional kindergarten through 12th grade. FRCS provides flexible, personalized learning experiences through a diverse range of unique and dynamic programs. The school values and actively supports parental choice and personalized learning for all students.

FRCS Home School Teachers (HSTs) are credentialed California educators who collaborate with families to foster, guide, and

2024-25 School Description and Mission Statement

enhance students' educational in collaboration with highly-qualified credentialed teachers, families carefully select curriculum, technology items, and supplemental enrichment materials from a pre-approved list. We are proud to offer a wide range of field trips, enrichment classes, and community events to help students reach their educational goals.

At Feather River Charter School, we have established Schoolwide Learner Outcomes (SLOs) as goals for our students. These outcomes are integral to our school culture, reflecting our vision, College and Career Readiness, and a continued commitment to educating each student as a unique learner, considering cognitive, physical, behavioral, social, and emotional dimensions.

FRCS teachers collaborate with parents/guardians to develop learning plans for students. During each learning period, the teacher collaborates to review lessons to be completed within a specified timeframe. Students have access to comprehensive online curricula aligned with educational standards. Benchmark diagnostic assessments, administered in fall, winter, and spring for grades TK-11, offer crucial proficiency data across various subjects. This data, coupled with learning styles, informs the development of individualized learning paths, enabling students to target specific objectives and standards. Regular assessment determines mastery levels, and personalized learning plans expedite student progress.

Teachers deliver instruction and support in person or online through web-conferencing platforms. This flexibility allows for collaboration and instruction using video, voice, text, and shared writing space. With 24-hour access to all curricula, learning can occur at various locations and times, including libraries and students' residences, according to individual preferences.

FRCS has implemented an online direct instruction platform, offering four cycles of eight-week intervention courses in mathematics and language arts. Additional programs focus on instilling critical thinking skills essential for success in college and career pathways. The tiered support system provided by FRCS caters to diverse learning styles.

FRCS consistently adapts programs to meet the evolving needs of our unique student population. The leadership and staff eagerly anticipate continued collaboration with educational partners, providing a compelling option for students seeking an independent study/homeschool program.

OUR VISION

Feather River Charter School develops the individual gifts of students to become critical thinkers, responsible citizens, and innovative leaders prepared for academic and real-life success in the 21st century.

OUR MISSION

The mission of Feather River Charter School is to develop the individual gifts of students in Sutter County and adjacent counties to become proficient in Common Core State Standards and become critical thinkers, responsible citizens, and innovative leaders prepared for academic and real-life achievement in the 21st Century. The mission will be accomplished in a personalized learning environment that fosters successful achievement through quality, personalized, standards-based education. In collaboration with highly qualified credentialed teachers, students engage in diverse and dynamic learning pathways and unparalleled enrichment opportunities to achieve personal and academic success which could include online coursework, offline textbook work, and unique hands-on and experiential learning experiences facilitated in partnership with students, parents, staff, and community.

FEATHER RIVER STUDENTS ARE:

- Navigators of the Digital World - Navigators of the digital world who are proficient in the use of technology, media, and online resources.
- Self-Directed - Self-directed and motivated students who are able to set attainable goals to achieve academic success.
- Personalized Learners - Personalized learners who are able to thrive in the style of education that best fits their individual needs.
- Independent Critical Thinkers - Independent critical thinkers who have the ability to problem solve, take ownership, and apply their knowledge to a variety of problems.
- Responsible Citizens - Responsible citizens who demonstrate integrity and respect while actively seeking knowledge of local and global issues.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 Career Technical Education Programs

Career Technical Education (CTE) at Feather River Charter School is a dynamic program that integrates core academic knowledge with technical and occupational expertise. Our commitment to evolving alongside the swiftly changing demands of the workplace is reflected in the ongoing development and implementation of various CTE pathways.

In adherence to the statewide Doing What Matters Initiative (DWMI), we are dedicated to crafting a CTE program that is finely tuned to the requirements of regional economies. Collaborating proactively with local colleges and industry representatives, we strive to introduce CTE course pathways, internships, and industry certificates that equip students for the dynamic regional labor market. Upon successfully completing a CTE pathway, students are awarded a CTE Completer Certificate, a testament to their readiness for the workforce.

Our diverse range of pathways serves as a comprehensive approach, with some designed to provide students with the knowledge necessary to excel in industry certification exams. Others seamlessly integrate certifications into the coursework, offering students a direct pathway to apply for career-ready positions. Importantly, our CTE program is not only a bridge to the professional world but also a stepping stone to higher education. Actively aligning our courses with the University of California A-G subject-area requirements, several of our offerings facilitate dual enrollment as a capstone course.

Inclusivity is at the heart of our CTE program, ensuring access for all students regardless of gender, socio-economic status, special needs, or English proficiency. Currently, we proudly offer 9 CTE pathways spanning eight industry sectors, including Arts, Media and Entertainment, Business & Finance, Health Science & Medical Technology, Marketing, Sales and Services,

Public Service, Hospitality, Information & Communication Technologies.

As part of our ongoing commitment to student satisfaction and success, we actively seek feedback to refine and expand our program, tailoring CTE pathways and courses to match the interests and aspirations of our students.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Feather River Charter School is dedicated to actively engaging with parents and teachers through various platforms, media, and events. Information about board meetings, parent education workshops, and regular Community Programs events can be found on our school websites, The Bridge, social media platforms, and the weekly newsletters that are emailed to families. The FRCS School Board is comprised of parents and community members who actively influence the school's governance. Parents and students contribute valuable insights to program planning, design, and implementation. In line with our program's essence, parents play a direct role in their child's education by offering direct support during community events, park days, and other school-related activities.

To comprehensively gauge parent satisfaction, we conduct electronic surveys annually in the spring. These surveys are designed to assess satisfaction with all aspects of the school. Our commitment to communication and support is further demonstrated through our Family Liaisons, who serve as a vital bridge between school, home, and community. They work directly with families, facilitating communication and offering support. Families can easily communicate their needs and provide feedback to our Family Liaisons through various channels, including social media platforms, The Bridge or on our website. They can also be reached by email at info@sequoiagrove.org

Additionally, Feather River Charter School has established partnerships with local community organizations and businesses to provide educational workshops, lessons, classes, and outreach programs that enhance the overall educational experience for our students.

2024-25 School Safety Plan

Feather River Charter School prioritizes the safety and well-being of its students and staff through a meticulously crafted Comprehensive Safety Plan. This plan undergoes a thorough review, update, and discussion each fall before the commencement of the school year. The Comprehensive Safety Plan serves as a robust framework for emergency procedures, evacuation routes, incident command system procedures, and an injury and illness prevention plan. Within the FRCS Resource Center, readily available "Readiness and Emergency Plans" outline schoolwide crisis protocols, ensuring preparedness for any unforeseen events. Recognizing the importance of mental health support during crises, Feather River Charter School employs qualified School Psychologists and Counselors to assist students and staff in navigating challenging situations.

The School Board of FRCS is dedicated to creating and maintaining a safe and secure environment for everyone at the Resource Center. To reinforce this commitment, board policies specifically tailored to support student safety have been established and can be accessed on the school's website. Ensuring that every staff member is well-equipped to respond to safety concerns, FRCS mandates annual comprehensive safety training aligned with essential educational content. This includes, but is not limited to, Mandated Reporting, Universal Precautions for Bloodborne Pathogens, Bullying Prevention, Sexual Harassment, and Suicide Prevention. As part of an ongoing commitment to safety, Feather River Charter School remains proactive in enhancing training programs and adapting board policies as necessary to address the evolving needs of both students and staff.

Fiscal Year 2023-24 Types of Services Funded

Feather River Charter School is proud to be funded by a diverse array of resources, ensuring a robust support system for our students. Our funding sources include the Local Control Funding Formula (LCFF), Special Education funds, lottery proceeds, the Environmental Protection Account (EPA), Mandated Block Grant, and various state one-time grants, such as the Educator Effectiveness Block Grant (EEBG) and the Learning Recovery Emergency Block Grant (LREBG). Additionally, we receive federal grants such as ESSER II and III.

Student-Centric Approach: At Feather River Charter School, each student benefits from dedicated funding for instructional materials, support services, and a commitment to providing comprehensive services that prioritize unduplicated and at-risk students. We recognize the importance of socialization and social-emotional support, which is integrated into our expanded programs, including intervention services and counseling. Our unique academic offerings, such as Adventure Academy, Clubs, Sequoia Studio, field trips, events, and park days, seamlessly blend socialization with educational activities.

Development and Innovative Programs: We take pride in our Junior High and High School Virtual Academy, which focuses on supporting and expanding the learning and development of all students. Eligible students with Individualized Education Plans (IEPs) receive special education services, including the provision of technology and related educational materials. New course offerings are Junior High Leadership, eSports, German 3, Spanish 3, CTE Photography 2, CTE Commercial Art 1, and CTE Introduction to Arts, Media and Entertainment.

Inclusive Services: Our commitment to inclusivity extends to specialized services for Foster Youth, Homeless, and Socio-Economically Disadvantaged students. We believe in providing equal opportunities for all students to thrive.

Holistic Support: In addition to academic support, our school places a high value on the social and emotional well-being of our students. Our counseling services cover both academic and career aspects, and 504 services and supports are available to address individual needs.

Empowering Parents and Professional Development: We actively promote Parent Education to ensure that families are equipped with the tools and knowledge to support their children's educational journey. Simultaneously, we invest in Staff Professional Development to empower our educators with the latest insights and techniques, ensuring that they can deliver the best possible education to our students.

At Feather River Charter School, we believe in fostering a supportive and enriching environment for all our students, recognizing and celebrating their unique strengths and challenges. Through collaboration, innovation, and a commitment to continuous improvement, we strive to make a positive impact on the lives of the students we serve.
