

Weekly Update from Superintendent
Dr. Mary Catherine Reljac

Several members of the Kerr Elementary School Student Change Committee were on hand Monday night to honor members of the Fox Chapel Area School Board as part of School Director Recognition Month, observed annually during the month of January. School board members received a photo frame featuring the district's four pillars – purpose, passion, care, and community. Thank you, school board members, for your time, service, and all you do for our community!

SOPHOMORE WINS AWARD FOR PLAY

Fox Chapel Area High School sophomore Lilith Bohin was named a winner in Prime Stage Theatre's Fifth Annual High School Drama Awards. Lilith won in the best student costume design and/or fabrication category for Fox Chapel Area High School's 2024 fall play, "Harvey."

Lilith Bohin

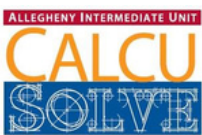

The awards recognize excellence in student-run high school drama and were open to schools from across Southwestern Pennsylvania.

Other Fox Chapel Area High School nominees for the awards were senior Noah Miller in the best supporting actor category, and the team of senior Pauline Piechotta and juniors Molly Krajcovic and Adeline Moritz for best student makeup design and/or application.

According to the Drama Awards Director John Dolphin, "We could not be prouder of each and every one of the students who have dedicated themselves to producing some of the finest theatre we have seen. They are the future of our community, both theatre and otherwise, and without them, Pittsburgh theatre would not be prospering in the amazing ways we see today."

DMS TEAM TOPS AT CALCUSOLVE

Six Dorseyville Middle School students placed in the Allegheny Intermediate Unit CalcuSolve tournament in December. A team of DMS students placed first: eighth-graders Rishabh Krishnamurthy and Linden Trac, and seventh-graders Shengfeng Fei and Brian Xu. In the individual portion of the contest, all four of these students also won first-place awards by earning perfect scores of 35. DMS eighth-graders Delaney Liu and Zoey Liu each scored 33 points, earning them second place in the individual portion of the contest. CalcuSolve is a competition that tests students' mathematics problem-solving skills.
