

JANUARY NEWSLETTER

Happy New Year 2025~!

Principal's Letter

Dear Families,

Happy New Year! As we welcome 2025, I want to take a moment to reflect on the exciting opportunities ahead. The second half of the school year is here, and it will go by quickly. That's why I'm encouraging all families to help us finish strong.

Your engagement is crucial to your child's success. Please take a few minutes each week to review their grades and progress on Skyward. Staying informed allows us to work together to address any challenges early. Additionally, maintaining regular attendance is key. Every day in class is a chance for your child to learn, grow, and thrive.

Let's make this semester the best one yet! With your support and our students' hard work, I'm confident we can accomplish great things together. Thank you for your dedication to your child's education.

Here's to a fantastic semester ahead!

Warm regards,

Deorde Adams

Savoy Middle School Principal
