Important Reminder:

- Our caps and gowns are Jostens' navy blue color.

PARKING

APPLETON NORTH PARKING ENFORCEMENT TO BEGIN JANUARY 21, 2025

Students are required to have an Appleton North parking pass for the 2024-2025 school year placed on the lower left corner of the back windshield (This information will be included when students purchase a pass). Students who have the sticker placed in any other location should move it to the lower left corner of the rear windshield to ensure it is visible to any Community Service Officer (CSO) doing parking enforcement. Any parking spot marked with blue lines are designated for staff members only, with staff parking passes being hung from the rearview mirror. **Any student parking in the spots marked for staff will be cited regardless of having a parking pass or not.**

I-41 CONSTRUCTION/ROAD CLOSURE

SIGNIFICANT TRAFFIC IMPACTING APPLETON NORTH HIGH SCHOOL

According to the latest information from the Department of Transportation, the Ballard Road Interchange project will significantly impact several AASD northside schools in 2025, including Appleton North High School, Einstein and Kaleidoscope middle schools, Huntley Elementary School, and Appleton Public Montessori.

The Ballard Road overpass will be completely closed for most of the year, with reopening anticipated in "late fall." Additionally, all four interstate ramps at the Ballard Road interchange will be replaced between summer and fall, along with E. Capitol Drive between Ballard and Commerce Court. To determine if an alternate route will be necessary for you or your student, please visit the [WISDOT I-41 Project - Ballard Road Interchange website](#) for updates.

school drop-off/pick-up PROCEDURE

Parents, please remember that the drop off zone for your students (AM and PM) is in the back of the school parking lot, not the front. The entrance is either on Ashbury or Edgewood Dr (JJ). However, exiting the parking lot is only from a specific exit found near the baseball field. This exits onto JJ. Please see the MAP on the right for details.

FRONT STAFF PARKING LOT
ABSOLUTELY NO PARKING/DROP OFF/PICK-UP

BUS LANES
NO PARKING/DROP OFF/PICK-UP
7:30 AM TO 8:30 AM / 2:30 PM TO 4:30 PM

The front of the school is reserved for all cabs, Valley Transit and Lamers buses that drop off and pick up our students. Additionally, we have designated buses that provide transportation for students with special needs and the drop off is in designated areas closest to their classroom. This is most preferable and safe. We appreciate your help in providing a clear lane to transport students without traffic congestion. Our Bus Lanes have new fresh markings this year. Please comply as marked.

ABSENCES & ILLNESS

HOW TO REPORT STUDENT ABSENCES & APPOINTMENTS

ABSENCE PROCEDURES:

To report an absence, a parent or legal guardian:

- Must call North Student Services office line at (920) 852-5405 (press 1 for illness and absences) as early as possible each day the student is absent.
- If leaving a message, please provide the student's name, grade, and reason for the absence. Please speak slowly and clearly-- **Please spell out the Last Name.** This will ensure we have the correct information.
- You have the option to reach a Spanish or Hmong interpreter.
- Messages are checked continually throughout the day.

EXCUSED ABSENCE WITH PRIOR PARENT REQUEST:

- A parent/guardian may request that a student be excused from school attendance prior to an absence occurring.
- The request can be made via phone contact with the school.
- The student may be excused by the parent/guardian under this provision for not more than 10 days in the school year.

PLEASE NOTE: After a student's 10th absence, documentation will be required for an excused absence.

HEALTH ROOM

& ILLNESS

If your student falls ill during school hours, it is important that they come to the nurse's office. Once they are in the Health Room, under our nurse's care, they are free to call a parent/guardian to consult with them as to what the next best step should be. When this step is skipped, it creates confusion and is time consuming for the parent and Student Services staff.

We appreciate your assistance in this process.

DURING SCHOOL HOURS STUDENT DROP-OFF & PICK-UP

PROCEDURES

6

ONCE THE SCHOOL DAY BEGINS:

- All students arriving/departing school during the school day **MUST** stop at the Main Office to sign-in/sign-out.
- Parents can park in front of the Main Entrance to wait for students leaving for appointments or leaving due to illness until 2:30 PM.
- Parents **DO NOT** need to stop in and sign out their students in the Main Office if the office has been notified of their student leaving. The student will sign out and wait for their parents by the doors.
- If parents need to drop off items (lunches/money/clothing, etc.) for students during school day, please use the Main Office also. All items (labelled accordingly) can be placed on the shelves between the outside door and main office door.

APPOINTMENTS

All student appointments (such as medical, dental, court) must be called in advance to the Student Services office by a parent or legal guardian at (920) 852-5405. Press 1 for Student Services menu and follow the prompts.

Note: Due to the high volume of appointments, if your student is planning on leaving school within 30 minutes on the appointed day, when you call in, please follow the prompt to speak to a Student Services secretary directly.

1. Once the parental call has been made to excuse the student, he/she can notify the teacher of the appointment.
2. The student **MUST** sign-out in the Main Office upon leaving the building.
3. Upon returning to school, the student **MUST** sign back into Main Office. Parents **DO NOT** need to come in when picking up or dropping off your student after an appointment.
4. Freshman leaving school for Lunch Hour must have a parent come in the Main Office for pick up to be excused.

TARDY PROCEDURES

School starts at 7:55 AM daily.

1. A warning bell will ring at 7:50 AM daily notifying students that they have 5 minutes to get to their class.
2. If a student arrives to school after the 7:55 AM bell rings (whether having an excused absence or is tardy), they **MUST** always sign-in with the Attendance Secretary through the Commons entrance. Once the Commons entrance door is locked, all late check-in must be done in the Main Office.
3. Once a student has been tardy for 5 times during a semester (not a quarter), they will receive a detention.

ABSENT REQUEST

Parents/guardians can use the Absence Request found on **Infinite Campus/Parent Portal** tool to submit a request that informs the office in advance when their student is not going to be in school.

This new feature can be used as an alternative to the traditional phone calls to the school office. Read more on how to submit an Absence Request via the Campus Portal.

MEDICATIONS @ SCHOOL

Medications should be administered at home whenever possible. Parents/guardians are urged to consult with the prescribing practitioner to determine if medications can be scheduled outside school hours. In the event that this is not possible, designated district staff will administer medication according to district policy.

All medications administered by AASD staff are only available to students during school hours (7:30 a.m. - 4:00 p.m.). ***Per the AASD medication policy, non-FDA-approved medications cannot be administered.

PRESCRIPTION MEDICATION

- 1.The current Medication Consent form, signed by parents/guardians and the prescribing practitioner must be on file at the school.
- 2.The prescription medication must be supplied in the original pharmacy-labeled package indicating the correct dosage and frequency of administration. This information must be the same as provided on the above-noted form. Only the amount of medication needed at school shall be contained in the package.
- 3.If changes in the dosage take place, an updated Administration of Medication Consent form, and an updated pharmacy-labeled package will be required.

NON-PRESCRIPTION MEDICATION (over-the-counter)

- The parent/guardian must complete a Medication Consent form.
- Medication must be supplied in the original manufacturer’s package with the student’s name affixed on the package. Other packages, such as a baggie filled with pills, will not be accepted.

SELF-MEDICATION

Although it is permitted and sometimes necessary, students are discouraged to carry and administer their own medications, If a parent/guardian wishes their child to possess and self-administer medication, please notify the school office to discuss this and to complete the required form.

ADDITIONAL INFORMATION

- 1.Your pharmacist can provide a second empty labeled container so that you will have containers for home and school. Medication will not be given if in an unmarked container (i.e., baggie, envelope).
- 2.All controlled substances must be delivered to the school by a parent/guardian or another adult. Parents /guardians are encouraged to deliver the package of medication to the school office to prevent tampering by the child and other students.
- 3.For controlled substances, school staff will verify the amount of the medication delivered by counting individual units of medication in the presence of either the adult who delivers it or another school staff.
- 4.Unused portions of medication after the completion of the school year or when discontinued will be disposed of after 7 days if not picked up by the parent/guardian.

Medication forms may be obtained from the school office or from the AASD website: **AASD MEDICATION FORMS**

President's Letter

CAs the year draws to a close and we prepare for final exams and the holiday season, we're also gearing up to start the winter sports season. Best of luck to all our student-athletes as they take to the court, rink, pool, and mat!

Reflecting on the fall sports season, we extend our heartfelt gratitude to Jamie Schnurer as she retires as head coach of the Girls Swim and Dive team. A proud North alum and former team member, Jamie dedicated 19 remarkable seasons to coaching the Lightning. Under her leadership, the team maintained its incredible streak of sending at least one swimmer to the State meet every year since North's opening. The numerous conference and sectional titles won during her tenure are only surpassed by her lasting impact on the hundreds of girls who swam under her guidance. Best wishes for the future, Jamie—you will be greatly missed!

On behalf of the Appleton North Booster Club Board, we wish you and your loved ones a joyful holiday season and a restful winter break. We look forward to cheering alongside you at the fields of play in 2025. Go Lightning!
