INSTRUCTION

USE OF COMMERCIALY PRODUCED VIDEO MEDIA

Video media will be selected and assigned to give support directly to instructional learning objectives contained within the Board approved curriculum.

Video media, when used, shall be selected for their direct relevance and value to the instructional program. General selection criteria should ~~also~~ include the quality of the overall work and its individual parts, fair and accurate representation of the facts, the reputation and significance of the writer, director, and/or performer(s).

Video media shall not be used for recreation or entertainment, or for other than planned instructional purposes.
