PARENT COMMUNITY COUNCIL

Working collegially with Servite High School administration, the Parent Community Council helps parents collaborate to determine community needs, provide parent educational resources, and create opportunities to build supportive relationships. We support several events and welcome all parents to attend meetings and volunteer.

December 10: Advent Prayer Service

The annual Advent prayer service was a beautiful celebration of preparation and hope, beginning with the Gospel reading of Luke 1:26-38 by Father Richard Boyle, recounting the Annunciation. The meditation led by Prior General Pierre Balta reflected on Mary's trust and surrender to God's will. The service featured hymns sung by the choir with piano accompaniment by Andrew Garcia and a communal reading of The Magnificat (Luke 1:46-55) with Father Boyle. It concluded with lighting candles in urns as a symbolic act of faith and reflection. The evening ended warmly with cookies and hot cocoa, fostering fellowship and joy in the Advent season.
