## Reminders:

In order to be counted in report 1.17 a student must have an open primary or short-term enrollment in CALPADS over Census Day (the first Wednesday in October) *and* meet one or more of the following criteria:

- Have a program record with an education program code of Homeless (191), Migrant (135), Free Meal Program (181), or Reduced-Price Meal Program (182), that is open over Census Day
- Have an English Language Acquisition Status (ELAS) of “English learner” (EL) that is effective over Census Day
- Be directly certified in July through November as being eligible for free meals based on a statewide match conducted by CALPADS
- Be identified as a foster youth based on a statewide match conducted by CALPADS
- Be identified as a foster youth through a local data matching process and submitted to and validated by CALPADS

LEAs do not need to submit information to CALPADS for students identified in statewide matches to be included in report 1.17.

### **Eligibility based on an NSLP application or alternative income form**

To be included in the LCFF unduplicated student count, an NSLP application or alternative income form must be submitted by students to their schools by October 31 of the school year.

# Reporting Restraint & Seclusion Incidents

Join us for an informative session presented by the School & College Legal Services of California, featuring CDE- Special Education Data Support and CALPADS representatives available for the Q&A portion. This training will delve into the annual reporting requirements for mechanical or physical restraint and seclusion incidents, as mandated by AB 2657, effective January 1, 2019. We'll cover the comprehensive reporting obligations for all students, including those with Individualized Education Programs (IEPs), 504 plans, and those placed in Non-Public Schools (NPS) by the Local Educational Agency (LEA). This training is an excellent opportunity to: Enhance your skills in managing and reporting restraint and seclusion incidents. Ensure that your documentation and reporting practices align with current legal requirements. Engage with experts to clarify any uncertainties and share best practices with peers.
