Quarters to Quetzales

What did we do?

We held a fundraiser to benefit two locally-run organizations that operate in Guatemala.

HAVA
FOUNDATION

What was our goal?

Our goal was to raise $250 (about 2,000 quetzales) across two weeks by collecting jingle change.

How did it go?

We exceeded our goal and raised $1,500...which was close to 150 pounds of jingle change!

This amounted to about 11,500 quetzales!

What was our takeaway?

Current IT Projects...

- AP Reliability Check
  - Looked at monitoring data, found issues, and then fixed the bad network runs to several APs
  - Moved APs to newest Firmware designed for latest WiFi 6 APs
- Camera Installations
  - Installed several internal cameras in uncovered locations
- Winter Updates and Upgrades Continued
  - Updated software and firmware on servers, switches, and appliances outside school hours
- Paper to Digital Project Continued
  - Met with SCView to determine best strategies for moving Special Education records to digital
  - SCView is a low cost option because we can leverage something we already have and there is no extra cost
- Budgeting Continued
  - Working on the Tech budget for 2025-2026
- Backup Check and Restructure Continued
  - Looking at all backup processes and make sure everything is securely backed up
  - New retention policies reinforce backup structure and help to double check that everything is adequately covered for disaster recovery
- Documentation Continued
  - Working on better documentation practices
