Celebrate the Holidays and the New Year

“Winter is the time for comfort, for good food and warmth, for the touch of a friendly hand and for a talk beside the fire: it is the time for home.” — Edith Sitwell

Family First

One of the most heartfelt feelings is
Putting your family first
It doesn't require a scholar or math whiz
To recognize one suffering from thirst
Whether it be for liquid or love
My parents put family first with education
Taught about respect and God above
About land and its preservation

And about family and friends
Sharing the present and the past
Making family number one with love that never ends
And memories that last and last!
—Ouida Nell Greene
