To protect the District's financial resources as well, the Board will provide for liability coverage for all personnel through the policies structured to maintain the statutory immunities as provided in RSA 31:107: professional liability insurance as needed, workers' compensation, and unemployment compensation coverage.

Workers' Compensation

All employees of the Board are covered by workers' compensation insurance paid for and provided by the Board. This insurance coverage is provided for employees with the provisions of the insurance carrier.

Unemployment Compensation

All employees of the Board are covered by unemployment compensation insurance paid for and provided by the Board. This insurance coverage is provided for all employees regardless of assignment, length of assignment, and/or hours worked per day. Benefits provided are for wage loss due to temporary unemployment through no fault of the individual, for those who meet eligibility requirements as provided for in state law. District employees with reasonable assurance of employment after a regularly scheduled vacation break are ineligible for benefits during such breaks.
