

Each Illinois school board member who is elected or appointed to fill a vacancy of at least one year’s duration must receive Professional Development Leadership Training (PDLT) and Open Meetings Act (OMA) training. Mandatory training is also required upon Performance Evaluation Reform Act implementation in each school district. For additional information, see Board policy 2:120, Board Member Development.

The following table contains mandatory training and development activities that were completed by each Board member. When the training was provided by the Illinois Association of School Boards, the acronym “IASB” follows the listed activity.
