

**Freeburg Community High School  
Incoming Freshman and Parent  
Open House**

**Date: Wednesday, March 26, 2025**

**Time: 6:30 PM**

**Where: Freeburg Community High School**

Students and parents are invited to attend this open house to meet the faculty and staff, review important registration information, tour the building, and attend an extracurricular fair in the cafeteria. Coaches and sponsors of FCHS sports and clubs will be present at the extracurricular fair to collect your contact information for participation and to distribute information about their sports and clubs, including summer camps and training information.

The Midget Athletic Booster Club will also be selling apparel that evening to start you on your Blue and White way!

This is a great night to start the transition from grade school to high school. Hope to see you there!
