CARDINAL COMMUNIQUE

JANUARY 2025

Superintendent's Message

Mr. Joe Knoll, Superintendent

Dear Canfield Community,

As we kick off the new year, I'm proud to share our progress in this 2024-25 school year. Guided by our theme, Stronger Together, we've celebrated achievements, faced challenges head-on, and worked as a team to build a bright future for all our students.

The school year has been marked by significant developments in infrastructure, academics, and community engagement. The district began the year by addressing urgent facility needs, investing approximately $2 million over the summer to improve safety and functionality in schools. Upgrades included secure entry vestibules at elementary schools, roofing and paving enhancements at the high school, air conditioning at C.H. Campbell Elementary, and updates to athletic facilities. These improvements were funded through operational reallocations rather than new taxes.

Our district earned a five-star rating on the 2023-24 Ohio School Report Card—the only district in Mahoning County to receive this honor. Canfield High School continues to set the standard, ranking in the top 2% of high schools statewide. Canfield Village Middle School was ranked #1 in the Tri-County area and #24 out of 2,451 middle schools in Ohio by U.S. News & World Report.

Our elementary schools have also earned impressive recognition. C.H. Campbell Elementary was recognized as one of the best-performing schools in Ohio and the nation by U.S. News & World Report. C.H. Campbell joined Hilltop Elementary in earning a Bronze award for its Positive Behavioral Interventions and Supports (PBIS) program, which emphasizes teaching and reinforcing positive behaviors. Additionally, Hilltop and C.H. Campbell joined CVMS and CHS with the honor of receiving Purple Star designations, highlighting our dedication to supporting our military families.

Beyond academics, we've seen great success in athletics, the arts, and district-wide events. Champions Day brought together participants from across our county, and our athletes continue to excel, with multiple league championships and several teams and individuals qualifying for Districts, Regionals, and even State competitions. We were proud to have several CHS and CVMS music students represent Canfield in the OMEA Honors Band, Honors Choir, and the Stambaugh Youth Concert Band.

Looking ahead to 2025, we will continue exploring facility improvements that align with our community's expectations and values. The Board of Education remains committed to balancing these needs with fiscal responsibility. Together, we will develop plans that ensure our schools remain exceptional places to learn and grow.

Thank you for being part of this journey. These achievements reflect our shared commitment to academic excellence, community values, and providing the best opportunities for every student. I'm honored to serve a community that genuinely represents Stronger Together. Let's continue building on our successes and make 2025 another year of growth and excellence.

Go Cardinals!

Joe Knoll
Superintendent

Curriculum Update

Mr. John Vitto, Assistant Superintendent

Our award-winning district is dedicated to helping every student succeed academically and behaviorally using proven, research-based practices. We are working toward our 5-year goals purposively and actively using strong teamwork and collaboration among school leaders, teachers, and support staff. This includes programs like Positive Behavior Interventions and Supports (PBIS) to promote positive behavior and literacy programs following the Science of Reading and the Read Ohio initiative. Our teachers and administrators also receive specialized training in the Science of Reading and structured literacy. This training ensures we provide structured, research-based reading instruction that meets—and often goes beyond—state requirements, helping your child build strong literacy skills.

This year, we're introducing new reading programs for K-8, providing tailored instruction to support advanced learners and those needing extra help. In middle and high school, teams are enhancing vocabulary and writing instruction across subjects like science, social studies, and math. Quality assessment and data analysis will continue to guide our decisions, ensuring each student receives the support they need to succeed.

The high school has also expanded its curriculum, adding 12 new courses. They now offer 15 Advanced Placement (AP) classes, 10 College Credit Plus offerings, and 6 Advanced courses. Canfield High School has launched a Writing Lab to assist students with classroom assignments, college applications, and scholarships.

In behavioral health, we're strengthening our PBIS program with leadership teams focused on targeted interventions. Canfield Village Middle School students have participated in social-emotional screenings to address needs early, and our PBIS teams will undergo specialized training at the Educational Service Center of Eastern Ohio.

In mathematics, we are implementing a revised curriculum in grades K-5. Our students put in over 8,000 hours of practice using our supplemental mathematics program, Math IXL. Research indicates that answering 15 questions per week increases achievement. Our students increased the average number of questions answered weekly from 59 to 65. We continue to expand our First in Math and Challenge 24, with over 350 students participating. Our Canfield 4th grade team is ranked #1 in Ohio and 8th nationally.

During our December professional development day, staff trained on integrating artificial intelligence and technology in the classroom, elementary literacy, the Science of Reading, data analysis, gifted education, and CPR/AED certification.

Our district is committed to academic and behavioral excellence through research-based practices, including enhanced literacy programs, specialized training, expanded curricula, and robust behavioral interventions. These are all supported by collaborative teamwork and data-driven decision-making to ensure every student's success.

Facility Planning Update

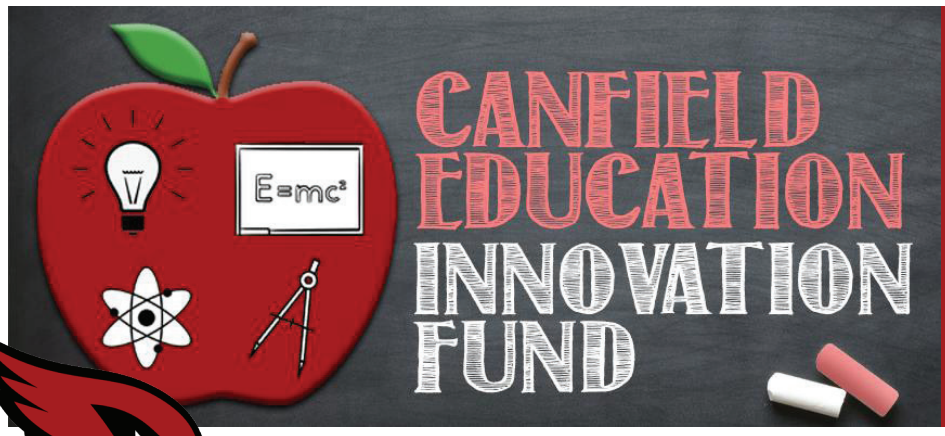

On November 5th, 2024, voters rejected the Canfield Local School District's facility improvement bond issue. The 3.7 mill bond would have generated $64.19 million to construct a new Canfield Village Middle School on the current site, an additional gymnasium, allocated funds to abate/demo the current facility, and provide close to $12 million for needed renovations to Canfield High School, C.H. Campbell and Hilltop Elementary Schools.

Over the past few months, the Board of Education has discussed the substantial challenges in meeting the demands of a modern educational environment with our current facilities. At the December 11th Board meeting, the Board reviewed options moving forward with another potential bond issue in May or November of 2025. The decision was made to look past the May 2025 ballot and continue prioritizing our facility needs, explore solutions that align with our community's expectations and to continue educating our community.

In the meantime, we have asked the OFCC (Ohio Facilities Construction Commission) to conduct a new student enrollment projection to get us back into the ELPP (Expedited Local Partnership Program) for potential OFCC Commission approval in the summer. This step permits us to be ready for a November 2025 ballot issue if the Board so chooses.

The Canfield Local School District is committed to balancing facility improvement with fiscal responsibility and the Board will continue to have discussions to create a plan that can address these needs.

Please email Superintendent Knoll at *JKnoll@Canfieldschools.net* with any questions about facilities planning.

The district has established the Canfield Education Innovation Fund to promote, encourage, and enhance educational opportunities that strengthen and enrich our students' experiences. Staff members may apply for grant dollars for creative, innovative activities.

The fund is dependent on donations (no taxpayer dollars). Donations may be made payable to the Community Foundation of the Mahoning Valley, memo line Canfield Education Innovation Fund. Scan the QR code, or visit *canfieldeducationinnovationfund.org* to donate now.

Special Services Update

Mrs. Shannon Miller, Special Services Director

The Special Services Department has been working diligently to provide excellent programming for students with exceptional needs. Canfield Local Schools strives to meet the needs of all students, which is why the district has a designation of excellent performance. All our students have so much to offer, and we strive to provide them with a high-quality education and opportunities for learning and growth.

The Special Services Department supports students with various needs, including gifted learners, students who meet eligibility for special education services and English Language Learners (ELL). The coordinated effort of administration, intervention specialists, secretarial staff, educational aides, related service staff, guidance counselors, behavior interventionists, and ESC personnel is crucial in meeting students' needs. It truly is a collaborative effort, and I am proud of the work that the dedicated staff accomplishes every day.

Our current efforts center around instructional support and services that allow students to be serviced in their least restrictive environment. The Special Services Department continually focuses on students' needs related to independence and eventual employability after graduation. Focus on employability starts when students reach the age of 14 and continues throughout their schooling until they reach the point of graduation. Focus on independence begins in preschool and remains a central focus throughout a student's schooling career. We provide ongoing staff training to design and deliver strong educational programming to meet students' needs in a manner that results in independence and success throughout their lives.

The district had the opportunity to celebrate our students with exceptionalities while hosting the annual Champions Day event with participants from schools throughout Mahoning County. The energy surrounding the event was palpable, as our students were celebrated in a way that had a lasting impact on all involved. The staff conducted a holiday party as another event to celebrate our students and demonstrate our gratitude for being given the opportunity to meet their needs.

Champions Day celebrated students with exceptional abilities from all over Mahoning County!

Food Services Update

Ms. Noelle Roth, Director of Food Services

The Canfield School District Food and Nutrition Services Department is self-operated and participates in the National School Lunch Program. We are proud to serve nutritious, well-balanced meals for all our students K-12. I encourage you to have your child buy their lunch from our cafeteria. Our success comes from your support! Please reach out to me with any questions, concerns or suggestions. My contact information is Noelle Roth, 330-533-5507, ext. 72411 or nroth@canfieldschools.net.

PaySchools Central

PaySchools Central is used for lunch accounts. We operate on a debit system, so please try to always have money in your child's account. We accept cash or checks in the schools, and PaySchools handles online deposits and credit card payments.

Menus

Menus are available on the school website or by downloading the MySchool Menus app.

Free or Reduced Price Meals

Applications for free or reduced-price meals can be filled out anytime during the school year. Applications are available on Final Forms, the district website, and at each school office. You can also request to have an application sent to your home. Completed applications must be returned to your child's school or mailed to Canfield High School, Attn. Noelle Roth, 100 Cardinal Dr., Canfield, OH 44406. Only one application per household is needed.

Fiscal Update

Miss Patricia Prince, Treasurer

The Canfield Local School District has continued to maintain a high level of service to our students, parents and community, as indicated by our five-star rating on the most recent 2023-24 report card; the only district in Mahoning County with this prestigious designation. This has been accomplished while maintaining an average cost per pupil of $11,124, which is below the state average of $12,397. A large percentage of these expenses (70.2%) are spent directly on classroom instruction. In our comparison group of like school districts, only two have higher performance indexes, but both of these districts have costs per pupil that exceed the state average and are significantly higher than Canfield's.

The Board of Education and administration closely monitor its revenue and expenditures in accordance with its financial forecast and work diligently to make sure tax dollars are being used efficiently and effectively. The most recent five-year forecast, complete with assumptions, charts and graphs, can be found at bit.ly/3ZGTzXG.

In each year of the five-year forecast, expenditures are projected to exceed revenue. However, the carryover cash balance is projected to carry the district through all five years. It is important to note that the state funding formula does not provide for increases in base funding for districts like Canfield with higher than state average property valuation per pupil and higher than state average median income per pupil. Hence, this puts an added responsibility at the local level to support the schools, and for this, we are grateful to the community for their past support.

In an effort to remain transparent, bi-annual question-and-answer sessions regarding the district's financial standing are held to better inform the community and parents of current and projected needs. The next session is scheduled for May 14, 2025, before the regularly scheduled Board of Education meeting.

Meet the Board of Education

Mr. Nader Atway, *President*
NAtway@CanfieldSchools.net

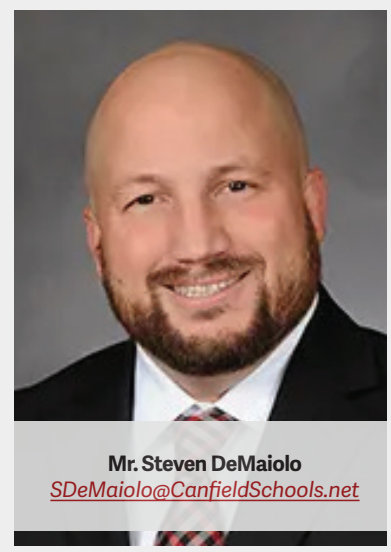

Mrs. Traci DeCapua, *Vice President*
TDeCapua@CanfieldSchools.net

Dr. Betsy Ahlquist, *Member*
BAhlquist@CanfieldSchools.net

Mr. Matt Campbell, *Member*
MCampbell@CanfieldSchools.net

Mr. Steven DeMaiolo
SDeMaiolo@CanfieldSchools.net

The Canfield Board of Education consists of five members; each elected to serve a four-year term of office. Board members are elected by registered voters residing in the district. Unless publicly announced otherwise, the Board meets the second Wednesday of each month at 6:00 p.m. in the High School auditorium.

Transportation Update

Ms. Linda Cervello, Transportation Supervisor

The Transportation Department had a strong start this year. We kicked things off with Kindergarten Safety Day, where we introduced students to the buses, drivers, and safety procedures. It's always a joy to meet our new "Little Cardinals." In September, we conducted the state-mandated bus evacuation drills, which helped familiarize students with emergency evacuation procedures.

Our Safety Day was in October and included the Canfield Police Department, the Mahoning County Sheriff's Department, and the Ohio State Highway Patrol. Officers and administrators rode the buses, patrolled neighborhoods, and followed buses to check for safety violations. Please remember to always stop for a bus's red warning lights, regardless of the direction you're traveling, unless you're on a divided highway. Our buses are equipped with both interior and exterior cameras, and we are partnering with local law enforcement to help keep our Cardinals safe.

As part of our ongoing commitment to managing district funds responsibly, we were able to combine two school bus routes again this year. We will continue to monitor and adjust bus routes and stops to ensure we are being fiscally responsible with your tax dollars. Additionally, we successfully consolidated one van route. Eliminating a bus route saves an average of 10,000 miles annually, repair costs averaging $1.50 per mile, and fuel costs of $3,200.00 per year. This also results in savings on driver wages, retirement contributions, healthcare, and workers' compensation.

We provide ongoing training for our staff, including driving maneuverability, school evacuations, safety protocols and team building. Currently, we are looking for substitute bus drivers to join our team. This is a great opportunity to become more involved with both the school district and your community. For stay-at-home parents, this role is an ideal way to earn extra income while aligning with your child's schedule. We provide all necessary training, a competitive wage, and opportunities for advancement with benefits. If you're interested or have any questions, please contact Linda Cervello at 330-533-3832 to schedule an interview.

In closing, we would like to wish you and your families a prosperous and safe New Year. Thank you for your continued support of the Transportation Department and the Canfield Local School District.

Canfield High School

From the Principals: Dr. Mark Potts and Mr. Mason Seachrist

Canfield High School once again earned a 5-Star State Report Card, which put us in the top 2% of high schools in Ohio academically. This is a testament to the efforts of our students, parents and teachers. Academically, we are excited to offer 14 Advanced Placements courses, 10 College Credit Plus courses through Kent State and Youngstown State, as well as a multitude of Honors classes. As a complement to our excellent academics, we are proud to offer a comprehensive athletics program that features 24 varsity sports with an array of junior varsity and freshman opportunities to participate, as well as one of Ohio's top speech and debate teams. CHS also offers high-quality band, choir, and performing arts opportunities, along with clubs, dances, concerts, and an overall great high school experience.

Canfield Village Middle School

From the Principals: Mr. Judd Rubin and Mr. Joseph Maroni

It is hard to believe we are already heading into 2025 in a short time. We've had an excellent start to this school year thus far, with some wonderful accolades for our building. CVMS was rated number one in the Tri-County area (Mahoning, Trumbull, and Columbiana). To top that, U. S. News rated our middle school #24 out of 2,451 middle schools in Ohio! This is a testament to our students, staff, and parents, who help us make CVMS so special. Once again, our fall athletes made us proud by showcasing their talents on the field and in the gymnasium. Our student council hit the road running with another successful food campaign for the Second Harvest Food Bank. We gained a special staff member, Ellie, our therapy dog. She has been a great addition to our student body. CVMS is truly a special place to be, and we look forward to a great start to 2025!

Students getting into the holiday spirit in Mr. Jugenheimer's 7th grade history class with a festive pop-up display!

These "Classy Cards" earned treat baskets provided by the PTA for showing respectful, safe, and responsible behavior for the first nine weeks.

Our fall sports recognition assembly celebrated athletes participating in football, cross country, volleyball, and cheerleading. Way to go Cards!

Halloween was another huge success at the middle school with both students and staff participating. Each student enjoyed a donut provided by the PTA.

Second Harvest Food Bank would like to sincerely thank our students and the community for their generosity in donating food for families in the Mahoning Valley.

Ellie, our new therapy dog, has brought much joy and happiness to the middle school since her arrival.

Congratulations to our 5/6th grade drama club, and Delaney Pallo, for their "Blast to the Past" production celebrating many decades throughout their performance.

In September, national "Start with Hello" week, a Sandy Hook initiative, gave us an opportunity to mingle with others during grade level lunches.

Our district initiative, "Stronger Together" is exemplified each day through a culture of community amongst our students and staff.

Our annual Veteran's Day is always one of the most special events of the year at CVMS. It is student led and honors our community veterans. Thank you to Derrick Young who was our special guest speaker for the assembly.

Our first annual fall PBIS event, the student vs. staff volleyball game, was played in a packed gymnasium with our student body cheering on both sides.

C.H. Campbell Elementary School

From the Principal: Mr. Travis Lavery

I hope this message finds you well! As we continue to make this school year memorable and engaging for our students, I wanted to share a few exciting highlights. C. H. Campbell Elementary School once again received a 5 star rating in the state of Ohio, which means we significantly exceeded the state standards. This includes 5 star ratings for Achievement (measuring student performance on state tests), Progress (measuring student growth), and Gap Closing (measuring the decrease of educational gaps in our student subgroups).

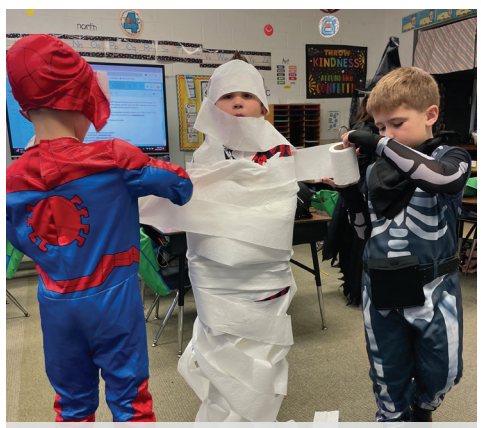

The good news continued this year as C. H. Campbell Elementary School was rated one of the best performing schools in Ohio and the nation by the U. S. News & World Report. C. H. Campbell was also the recipient of the Purple Star Award which demonstrates our building's deep commitment to military families in our community. This is the first time C. H. Campbell has been awarded this honor. The school was also honored with a Bronze award for our Positive Behavioral Interventions and Supports (P.B.I.S.) program, which focuses on teaching students about expectations and positively reinforcing those expectations when they are followed.

We are thrilled to share some of the exciting events coming in the near future at C. H. Campbell. First, we have our musical performances, where our talented students will showcase their hard work and creativity on stage. It's always a joy to see our young performers shine! Next, we are gearing up for S.T.E.M. week, a time to explore the wonders of science, technology, engineering, and math through hands-on activities and fun challenges. It's a great opportunity for students to spark their curiosity and discover new interests. Lastly, we will be participating in the Kid's Heart Challenge, where our students will learn about the importance of heart health while raising funds for a great cause. It's a wonderful way to encourage healthy habits and support our community. We are so excited for what's to come this year and to continue our tradition of success.

Students in first grade dressed up like they were from the 50's for the 50th day of school.

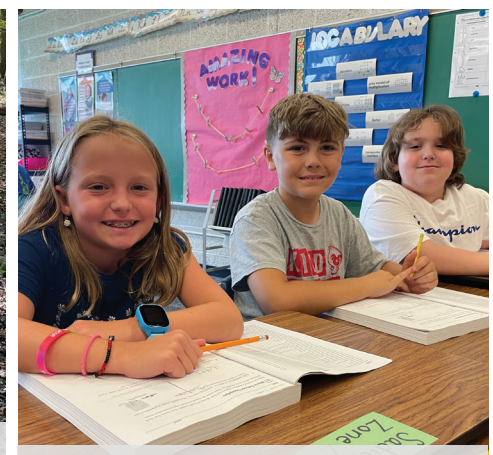

Students were wrapped up as mummies with toilet paper during our PTA sponsored Halloween Party.

Second-grade students honored veterans at our annual Veterans Day assembly.

Kindergarten students marched into the woods beside C. H. Campbell Elementary for some hands-on exploration and learning.

Our fourth-grade students are in action learning mathematics.

Our students were excited to get off the bus as they returned from summer.

First graders demonstrated their artistic talents during recess with chalk drawings.

Students who make great choices are selected as Cardinal Heroes each week.

The Cardinal Joint Fire District sponsored a Fire Safety Day and showed our students their amazing ladder truck.

Hilltop Elementary School

From the Principal: Mr. Michael Flood

As we wrap up the first half of the school year, I want to express my heartfelt gratitude to each of you. This year has been a remarkable journey so far, and it's thanks to the incredible partnership between our dedicated staff, supportive families, and enthusiastic students.

Our staff has worked tirelessly to create a nurturing, engaging, and inspiring environment where every student can thrive. From the classroom to the playground, and everywhere in between, their hard work and commitment to making Hilltop Elementary a place of growth and joy truly shine.

To our parents and guardians, your support and involvement play a pivotal role in the success of our students. Whether it's helping with homework, attending school events, or simply cheering them on, your contributions make all the difference.

As we look ahead to a new year, I am filled with excitement for what's to come. Together, we will continue to build a strong foundation for our children's academic, social, and emotional growth.

On behalf of the entire Hilltop Elementary team, I wish you and your families a happy, healthy New Year! Thank you for being such an integral part of our Hilltop family.

First Graders Roman Brookhart and Boomer Daugherty show off their impressive Halloween costumes at Hilltop's Halloween Parade.

Student Jad Saleh at Kindergarten Orientation, ready to be a new Hilltopper!

Fourth graders Savannah Hardman and Alana Franceschelli help third graders Carina Franceschelli and Amelia Rodesky.

Hilltop's Canfield Little Cardinal Junior Varsity Football Team receives strong support from their school as they head into the Super Bowl and become champions!

Master Sergeant Gallegos poses with his daughter, third grader Chance Gallegos, after speaking to Hilltop students on Veterans Day.

Fourth grader Elisa Procopio zooms along on hovercraft during STEM Week.

The students in Mrs. Jonda's, Mrs. Patoray's, and Miss Rivera's classrooms at Hilltop had an amazing time participating in Canfield Champion Day. They excitedly ran through the tunnel while their parents watched with pride from the sidelines.

The Canfield Lady Cardinals Basketball players from Hilltop gear up for their next game by wearing their shooting shirts to school.

YSU basketball players stepped off the court and gave back to the community by dedicating time to read to our third graders.

Youngstown Phantoms hockey players visited Hilltop to talk to students and play games like kickball and Gaga. Here they are with Mrs. Novotny's third-grade class.

Spreading joy! Mrs. Lopatta's second-grade class learns about 4-year-old Melina Michelle Edenfield, who lost her battle with childhood cancer in 2020, and her inspiring decision to choose joy, even in the toughest times.

Mrs. Franklin's second-grade class enjoyed learning in the Outdoor Classroom on a beautiful fall day.

Athletic Update

Mr. Bob Beam, Athletic Director

As the fall sports season comes to a close, it's a time to reflect on the memorable moments and hard-fought competitions that defined the past months. Athletes across football, soccer, volleyball, cross-country, golf, and cheer gave their all, showcasing talent, determination, and teamwork. From intense rivalries to personal milestones, the season brought both triumphs and challenges. Coaches and players worked tirelessly, while fans rallied behind their teams, creating a vibrant and supportive atmosphere. Now that the season has ended, we can celebrate accomplishments, learn from mistakes, and look forward to future seasons. The fall sports season not only highlighted athletic excellence, but also reinforced the values of sportsmanship, dedication, and community.
