2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ .
Admission Requirements for the California State University (CSU)	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at https://www2.calstate.edu/ .

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Our textbooks are from the most recent State-approved list and consistent with the content and cycles of the Curriculum Frameworks. Each student has access to his or her own textbooks and instructional materials to use in class and to take home. In our most recent adoption, each grade level was provided with the opportunity to examine the choices for math and ELA adoption. Each teacher gave a first, second, and third choice. The results were compiled into a grade level recommendation. The District Best Practices Committee analyzed those recommendations and a recommendation was given to the Superintendent and School Board. The teacher's first recommendation was adopted.

Year and month in which the data were collected September 2024

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	Houghton Mifflin Harcourt (2-3) Adopted in 2016	Yes	0%
Mathematics	McGraw Hill - My Math Adopted in 2014	Yes	0%
Science	TWIG Adopted 2020	Yes	0%
History-Social Science	Harcourt Adopted in 2006	Yes	0%

School Facility Conditions and Planned Improvements

Lincoln Elementary School was originally constructed in 1952 and has been regularly maintained. The Lincoln Elementary School campus is currently comprised of 31 classrooms, a multipurpose room/cafeteria, a library, one computer lab, one staff lounge, and a playground. There are three custodians that work overlapping shifts, a grounds team, and a support maintenance staff. The teachers, principal, and classified staff provide supervision before, during, and after school.

Cleaning Process: The principal works daily with the custodial staff of three to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District Office for review.

Maintenance and Repair: District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and highest priority to emergency repairs.

Facility Improvements: New LED lights for the outdoor corridors and inside the buildings were added. Fencing was added around the entire school. A new telephone system was added. The library was remodeled in the last few years. Recently a new HVAC system was installed for the classrooms connected to that system.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	58	60	38	36	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Lincoln Elementary School and participate on the School Site Council (SSC) and English Learners Advisory Committee (ELAC). Parents also volunteer in classrooms and on field trips. Lincoln Elementary School receives assistance from the Kingsburg Community Assistance Programs (KCAPS). KCAPS provides students from families in need with backpacks, coats, clothes, and food.

Parents who wish to participate in Lincoln Elementary School's leadership teams (SSC or ELAC), school committees, school activities (parade-float decoration), or become a volunteer may contact Principal Lauren Galli at (559) 897-5141.

2024-25 School Safety Plan

Lincoln Elementary School provides a safe and clean environment for students, staff, and volunteers. Safety of students and staff is a primary concern of Lincoln Elementary School. The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. At the beginning of the year, the District Safety Committee meets to review safety issues. Key elements of the safety plan include: identifying the level of threat, protective options, staff initial action/response, incident coordinator, and incident management team.

In order to stay connected, the administrative staff all have cell phones and digital two-way radios for emergencies. There are many digital two-way radios on Lincoln's campus for staff to communicate with during emergency situations. Fire drills are held monthly and earthquake and lockdown drills are held periodically too.

Teachers, paraprofessionals, and the principal supervise students throughout the day. There is a designated area for student drop-off and pickup. The school is gated, with open access during non-school hours only. Visitors must register at the office and receive identification badges that must be displayed at all times. Kingsburg Elementary Charter School District encourages volunteers in the classroom, field trips, and with special projects. All school volunteers in direct contact with students are required to complete a District application form, provide evidence of a clear tuberculosis (TB) screening, and receive a Megan's Law check. The District clears all volunteers with the local police department through an automated record check. Volunteers working more than 10 days per month will need to fill out additional forms and be fingerprinted.

The School Safety Plan was last reviewed and updated on 09/12/2024.

Professional Development

Staff members build teaching skills and concepts through participation in conferences and workshops throughout the year. The district offers staff development days annually during which teachers are given a variety of professional growth opportunities in curriculum, teaching strategies, and methodologies. This year new teachers received two pre-service days. Also, teachers have the opportunity to receive additional development throughout the school year. Professional development topics include SIOP, technology professional learning communities, and curriculum alignment to the standards, writing and math.

Kingsburg Elementary Charter School District's New Teacher Induction program provides new teachers (those with less than three years of full-time teaching experience) and affected veteran teachers with personal support, guidance, modeling, direction, and mentoring in the areas of subject matter knowledge, teaching strategies, classroom management, and overall professional competence. In addition, the district also provides time and resources for collaboration, planning, and professional development for all staff.

In recent years the Tulare County Office of Education has worked with our teachers to help them understand the process of writing and guided reading. In 2023, teachers have received professional development in the areas of Press Intervention, Guided Reading, ELD, and CAASPP. In 2024 and 2025, teachers have received professional development in the area of writing, small group instruction, ELD, CAASPP, and math problem solving.

This table displays the number of school days dedicated to staff development and continuous improvement.
