

California Colleges Guidance Initiative (CCGI) Opt-Out Form

I wish to opt-out of RJUHSD's disclosure of my student's information to the California Colleges Guidance Initiative. Opting out will remove my student's access to CaliforniaColleges.edu's transcript-informed functionality. I understand by opting my student out they will not have access to transcript-informed CSU/UC eligibility tools. Additionally, students will not be able to import verified transcript data into their CSU application using their CaliforniaColleges.edu accounts. This also applies to students who are submitting their CCCApply application. My student will still be able to access the lessons and tools in CCGI which is available to the general public.

My student(s) name is _____

School _____

Grade Level: _____

Parent/Guardian Name: _____

Date: _____

Signature: _____

Return this form to your student's front office at any time during the school year. Thank you!

NOTE: This is an annual opt-out process and should be renewed annually as part of the data confirmation process.
