The leading candidates whose background and abilities meet the requirements of the posted position will be interviewed by their potential supervisor. The Human Resources Director will recommend the successful candidate to the Superintendent for School Board approval. Once a posting has been filled, the District shall within ten (10) days notify the Steward(s). Such notification shall include: name, wage, benefits, position title, number of hours and location.

Subd 2. Lay-off: When a position is eliminated, the person or persons with the least total seniority in the District shall be laid off until the hours of employment reduced are equal to that of the position eliminated. Any layoffs or position eliminations, and resulting bumping rights, shall be implemented based upon which seniority list the affected employee is placed.

Employees shall be compensated for 2024-2025 and 2025-2026 years at the appropriate step as set forth in Appendix A. In the event a successor Agreement is not entered prior to July 1, 2026, an employee shall remain at the same step as compensated during the 2025-2026 contract year until a successor Agreement is reached, which Agreement shall govern advancement for the next Agreement.

Section 2. Section 4. Lunch/Break: Employees working four (4) hours or more per day shall be provided a duty-free, unpaid lunch period of thirty (30) minutes. Relief periods or breaks will be provided under the following schedule:

Section 6. Notice of Assignment: The District will notify each Education Assistant in writing on or before the last student contact day as to those Education Assistants who will not be returning for the next school year. Postmarked by August 15th of each school year the Education Assistant employee will be notified of their specific assignment. If an Education Assistant is not returning to their current building, the District will have a discussion with the affected employee. Once the District has issued a notice of assignment, the assignment cannot be changed without a discussion with the affected employee.

An Education Assistant employee invited by the Superintendent to attend Convocation shall be paid at the Education Assistant employee's regular hourly rate of pay.

Should the pupil being supported by an Education Assistant leave the district, or no longer need individual support, the pupil support Education Assistant for the student will be notified that they will be reassigned according to seniority, experience and qualifications of the Education Assistant, and the best interests of the School District.

situation, and then only for a brief period of time. In an emergency situation, if an employee is required to supervise a classroom in lieu of a teacher for two hours or more, the employee shall be compensated an additional two dollars and twenty-five cents (\$2.25) per hour over the employee's current rate of pay, for the period they supervise a classroom in lieu of a teacher. Educational Assistant employees shall not plan and prepare lessons or grade assignments unless they hold an appropriate license from the Professional Educators and Licensing Standards Board (PELSB).

Section 11. Meeting Attendance: In the event an Education Assistant is directed by the case manager, the supervising principal or Special Education Director to attend an IEP meeting or meeting/conference regarding a student, the Education Assistant will be paid at the Education Assistant's hourly rate, if the meeting extends or occurs beyond the contract day.

ARTICLE VII LEAVES OF ABSENCE

Section 1. Sick Leave: Sick leave allowance shall be credited at the beginning of the work year up to ten days per year. (A day is defined as the number of hours worked per day.) Unused sick leave at the end of the year shall be carried over into the next year and may accumulate to a maximum of 155 days. (The number of hours worked per day may vary from year to year.) Sick leave shall not accumulate during any time that an employee is on an unpaid leave of absence. On the third incidence of absence, the School District may require an employee who has been absent because of illness to furnish a medical certificate from a qualified physician as evidence of illness indicating such absence was due to illness in order to qualify for sick leave pay.

An employee may use accumulated sick leave benefits for absences due to an illness of the employee's child, spouse or parent for such reasonable periods as the employee's attendance with the child, spouse, or parent is necessary, on the same terms the employee is able to use sick leave benefits for the employee's own illness. This sick child, spouse or parent care leave applies only to sick leave benefits payable to the employee from the sick leave benefits accumulated by the employee.

The District reserves the right to require doctor's certification when such care is required and it also reserves the right to obtain periodic reports on the status of the child's, spouse's, or parent's illness. This requirement is in effect following three (3) consecutive days of absence due to a child's, spouse's or parent's illness.

Section 2. Immediate Family Bereavement Leave: In the case of death of immediate family, employee may be granted up to three days of leave time, not deducted from their sick leave. Up to two days of sick leave shall be granted per occurrence for the death of the employee's immediate or extended family members.

Section 3. Emergency Leave: Two (2) days of emergency leave per year (non-accumulative) may be granted when in the opinion of the Administration such request constitutes a real emergency. The salary in such cases will be paid in full but the days granted will be deducted from sick leave accumulation.

Section 4. Personal Leave: Each employee shall be credited with three (3) personal days deducted from sick leave each year. Employees may carry over one (1) personal day to the next school year. Personal leave is to be used for necessary absence required for the transaction of personal business which cannot be completed outside of the normal working day. Examples of personal business which qualify for use of such leave include, but are not limited to, personal reasons, court appearances, real estate closings, or a significant family event such as wedding and commencement ceremonies. Application for use of such leave shall be made in advance in writing, when possible, to the immediate supervisor. In the event the written notice cannot be given, oral approval must be obtained from the supervisor.

Section 5. Workers' Compensation:

Subd. 1. Upon the request of an employee who is absent from work as a result of a compensable injury incurred in the service of the School District and under the provisions of the Workers' Compensation Act, the School District will pay the difference between the compensation received pursuant to the Workers' Compensation Act by the employee and the employee's regular rate of pay deducted from the employee's sick leave or accrued vacation to the extent of the employee's earned accrual sick leave and/or vacation pay.

Subd. 2. If allowed by the Board, deduction shall be made from the employee's accumulated vacation or sick leave accrual time according to the same pro-rata portions of days of sick leave or vacation time that is used to supplement Workers' Compensation.

Subd. 3. Such payment shall be paid by the School District to the employee only during the period of disability.

Subd. 4. In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly, or monthly compensation that exceeds the normal compensation of the employee.

Subd. 5. Disability: All group insurance benefits shall be retained by Education Assistant employees who may become disabled due to a job-related accident or injury. Costs to the employee so disabled shall remain the same as for active employees. All insurance benefits resulting from a job related accident or injury shall cease at age 65.

Subd. 6. Medical Leave as a result of an injury in the workplace: An employee absence due to physical injury as a result of assault by a student in the course of performance of their job duties shall not be charged against the employee's sick leave days for up to three days of absence caused by such assault. If the employee's absence under this section is covered by workers' compensation benefits, the employee shall only be paid by the School District for the first three days of absence to the extent workers' compensation does not fully compensate the employee. To be eligible under this section, the employee must complete procedures for Workers' Compensation Insurance. For purpose of this section, a student assault will be determined by the Director of Human Resources.

Section 6. Parental Leave:

Subd. 1. An employee shall be afforded a parental leave of absence providing she/he follows the procedures outlined in this Section. For the purpose of this contract, parental leave will be defined as leave of absence for pregnancy, leave of absence for care of a newborn child (or a combination of

both), or adoption.

Subd. 2. An employee who is applying for this leave shall either submit a written resignation or request a leave of absence in writing subject to the provisions of this Section.

Subd. 3. An employee wishing to use parental leave shall notify the Superintendent in writing not later than thirty (30) calendar days prior to the date the employee wishes to commence the leave, and also at such time, shall provide a physician's statement indicating the estimated date of delivery of the child.

Subd. 4. An employee requesting a parental leave shall submit a written request to the Superintendent including commencement date and estimated return date. If an employee so elects, a written resignation may be tendered. An employee contemplating an adoption shall notify the Superintendent of plans to adopt in accordance with the time frame found in Subd. 3 of this Section and shall give at least five (5) days notice before actually commencing the leave.

Subd. 5. The effective beginning date of such leave or the resignation of the employee, if the employee so elects, shall be submitted by the Superintendent to the School Board for its action.

Subd. 6. The Board shall not, in any event, be required to grant any more leave than twelve (12) months from commencement of the leave. If the original agreed upon return date is less than the maximum allowed, the leave may be extended by mutual agreement of the employee and the Superintendent.

Subd. 7. If the employee complies with all provisions of this Section, a parental leave shall be granted by the Board, and the Board shall notify the employee in writing of its action.

Subd. 8. If the leave is for the purpose of childbearing, the employee may resume her job as soon as she and her doctor agree she is physically qualified to perform her duties.

Subd. 9. All employees returning from a parental leave shall be re-employed in a position for which she/he qualified commensurate with a position occupied prior to the leave, subject to the following conditions.

1. That the position has not been abolished, subject to the provisions of this Agreement.
2. That she/he is not physically or mentally disabled from performing the duties of such position.

Subd. 10. Failure of the employee to return pursuant to the date determined in this Section shall constitute grounds for termination in the District.

Subd. 11. The parties agree that the applicable periods of probation for employees set forth in this contract are intended to be periods of actual service enabling the School District to have an opportunity to evaluate an employee's performance. The parties agree, therefore, that periods of time for which the employee is on parental leave shall not be counted in determining the completion of the probationary period.

Subd. 12. An employee who returns from parental leave within the provisions of this section shall retain all previous experience credit and any unused leave time accumulated under the provisions of

this Agreement at the commencement of the beginning of the leave. The employee shall not accrue leave time during the period of absence for parental leave, but shall accrue time for the purposes of seniority.

Subd. 13. An employee on parental leave is eligible to participate in group insurance programs for such programs as she/he wishes to retain, commencing with the beginning of the leave. The right to continue participation in such group insurance programs, however, will terminate if the employee does not return to the district pursuant to this section.

Subd. 14. In case of adoption, Subd. 3. is not applicable. The parties further agree that any parental leave of absence granted under this Section shall be a leave without pay. Nothing in this Section may be construed to mean that an employee must take parental leave.

Subd. 15. A pregnant employee may use sick leave for those days in which she is ill due to pregnancy or childbearing. However, if a parental leave is to begin after the childbearing, the beginning date of that leave must be at the earliest date the physical condition of the employee would have allowed her to assume her job responsibilities. Nothing in this Section shall prevent the granting of a request to start a parental leave prior to the birth of the child, but when such request is granted the leave of absence shall be without pay and the employee shall not accrue fringe benefits or be eligible for school district contributions, but the employee shall accrue seniority during the leave.

Section 7. Medical Leave:

Subd. 1. An employee who is unable to work because of illness or injury and who has exhausted all sick leave credit shall, upon request and with Board approval, be granted a medical leave of absence without pay for a period of time not to exceed one (1) year from the approval date. The District may, after review of the specific conditions, renew such leave for a period of one (1) more year, pending medical evidence.

Subd. 2. A request for leave of absence under this Section shall be accompanied by a written statement from a medical doctor outlining the condition of health and estimated time at which the employee is expected to assume her/his normal responsibilities. The employee requesting medical leave shall, if the Board desires, submit to an examination by a physician(s) selected by the Board, at Board expense, prior to the granting of medical leave.

Subd. 3. This shall be a leave of absence without pay, during which an employee shall not accrue fringe benefits or be eligible for School District contributions, but shall accrue seniority.

Subd. 4. Any employee who fails to comply with the provisions of this Section may be terminated for just cause.

Section 8. Child Conference/Activity Leave: An employee may have up to a total of 16 hours during any school year to attend school conference or classroom activities related to the employee's child, provided that the conferences or classroom activities cannot be scheduled during non-working hours and the need for the leave is foreseeable. The employee must provide reasonable prior notice of the leave and make a reasonable effort to schedule the leave so as not to disrupt unduly the operations of the District. The employee may substitute personal leave or unpaid leave for any part of the leave.

Section 9. Career Exploration Leave: A voluntary leave of absence for at least one (1) year but no more than two (2) years, without pay, shall be granted by the Board under the following conditions:

Subd. 1. The employee must have been employed on a full-time basis by the District for at least five (5) years but have less than thirty (30) total years of employment.

Subd. 2. A leave may be granted only once.

Subd. 3. The employee on such leave shall be reinstated to the least senior position in the same category which she/he occupied prior to going on leave provided she/he has more seniority and the employee has not been terminated under the lay-off provision of the contract; and has notified the Board of her/his intent to return prior to May 1st of the year of the date of return. Failure to comply with the subdivision shall constitute grounds for termination.

Subd. 4. The employee on such leave shall retain seniority earned prior to the leave but shall not accrue any additional seniority in the District during the period of said voluntary leave. Any sick leave or years of service toward vacation accrual earned prior to the commencement of the leave shall be granted should the employee return to work in District #13.

Subd. 5. No sick leave or vacation will accrue and no insurance benefits will be provided by the Board during this voluntary leave. The employee may remain in the group hospitalization/medical plan at her/his expense if no other employment is held and the carrier permits. All premiums for this insurance shall be paid a month in advance.

Subd. 6. The voluntary leave shall be limited to a maximum of two (2) employees on said leave provided suitable replacements can be found.

Subd. 7. It shall be agreed by the parties that any individual granted a voluntary career exploration leave shall not file for unemployment compensation benefits chargeable to the District.

Subd. 8. Request for career exploration leave must be made by March 1 of each year. Approval or denial of said leave shall be made known to the requesting employee by the following May 15.

ARTICLE VIII HOURS OF SERVICE

Section 1. Basic Work Week: A regular work week shall consist of 30 hours, exclusive of lunch period for full-time employees. Any time worked over 40 hours in a work week shall be paid at the time and one-half rate.

Section 2. Part-Time Employees: The School Board reserves the right to employ such personnel as it deems desirable or necessary on a part-time or casual basis. Part-time employees are those employees working less than 30 hours per week.

Section 3. Shifts and Starting Time: All employees will be assigned starting time and shifts as determined by the Building Principal.

Section 4. School Closing: In the event that school is closed by the Superintendent for any reason and teachers and/or students are not required to be in attendance the Education Assistants shall not report to work and shall be paid for the day, provided the missed school day is not made up at a later date. Previously approved leave for this day shall not be debited from the employee's leave accrual.

Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust the alleged grievance informally between the employee and the School Board's designee.

Subd. 4. Hearing: The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator. The proceedings before the arbitrator shall be a hearing de novo.

Subd. 5. Decision: The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing.
