2023-2024 TASFA			
The Texas Application for State Financial Aid (TASFA) is a free application that collects information to help determine eligibility for state (or institutional) financial aid programs administered by institutions of higher education in the state of Texas. Students classified as Texas residents who are not eligible to apply for federal financial aid using the Free Application for Federal Student Aid (FAFSA) are encouraged to complete the TASFA. To review the FAFSA filing requirements, visit fafsa.gov or contact the financial aid office at the institution you plan to attend for the 2021-22 award year. Note: The federal application covers federal and state financial aid opportunities. If you meet the FAFSA filing requirements, then you should submit a completed FAFSA. You do not need to complete both the FAFSA and TASFA. The state financial aid priority application deadline for many institutions of higher education is January 15, 2021 for the 2021-22 award year. In order to be considered for the most financial aid that may be available to you, it is important to complete and submit this application with all required documentation to the financial aid office on or before Jan. 15. Note: Texas residency and final eligibility for financial aid can only be determined by the institution that you plan to attend. To complete this application, answer each item within each section. If a question does not apply to you, answer N/A for not applicable. For clarification on certain items, refer to the TASFA Notes on pages 6-8. If you have further questions about this form, contact the financial aid office at your institution. Some institutions have an online version of the TASFA; check with your institution before filling out the pdf or paper version. Note: Personal information collected on the TASFA is protected under the Family Educational Rights and Privacy Act (FERPA) of 1974.

A screenshot of the Federal Student Aid website's "Create a New FSA ID" page. The page has a white background with green accents. At the top, the "Federal Student Aid" logo is on the left, and "PROUD SPONSOR of the AMERICAN MIND" is on the right. Below the header, the section "Create a New FSA ID" is highlighted in green. The text explains that an FSA ID is a username and password for accessing online systems and can serve as a legal signature. It also states that users must use their own personal information and are not authorized to create an FSA ID on behalf of someone else. A warning states that users cannot have an employer or agent create an FSA ID for them. An important note at the bottom of the text section says: "Important: When you are done, select the CANCEL button to clear your data even if you did not finish creating your FSA ID. Just closing your browser window or going to another website may not be enough to prevent other people using this computer from seeing your information until the session expires." Below the text, there are two tabs: "Create an FSA ID" (active) and "Manage My FSA ID". The "Create an FSA ID" tab contains the instruction "Create your FSA ID username and password below." and three input fields: "Username", "Password", and "Confirm Password". Each field has a small question mark icon to its right. Below the "Password" field, there are four checkmarks indicating password requirements: "Numbers", "Uppercase Letters", "Lowercase Letters", and "8-30 Characters". There is also a "Show Text" checkbox. At the bottom right of the form, there is a green "CONTINUE" button with a right-pointing arrow.
