

Electrical Trade Specialty

2024-25

Post-Secondary Opportunities Information

POST-SECONDARY OPPORTUNITIES

- West-MEC partners with Canyon State Electric to provide an **Electrical Apprenticeship** pathway to program completers.
- Canyon State Electric offers a summer internship program for students prior to their senior year of high school.
- High school graduates may continue their career as an **Electrician Apprentice**. The Canyon State Electric placement test gives the program completer the opportunity to test-out of coursework already completed at West-MEC.
- Apprentices are employed and earn wages while furthering their skills and education.

COST REQUIREMENTS

- No cost for this opportunity
- Apprentices are employed and earn wages while furthering their skills and education.

ENROLLMENT INFORMATION

- High School students are advised to research this post-secondary option, discuss it with their counselor(s), parents, instructors and industry representative.

Program information may change as West-MEC strives to provide the best opportunities for students. Refer to www.west-mec.edu for most current information. Program is taught by industry certified instructors. West-MEC does not discriminate on the basis of race, color, national origin, gender, age, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations.
