- 4th Semester (\$834.00)
  - AUT128 Auto/Diesel Heating & Air Conditioning (4 credits)
  - AUT225 Diesel Engine Performance (4 credits)
  - AUT230 Adv. Light/Medium Duty Diesel Diagnosis 1500-4500 Series (4 credits)

### COST REQUIREMENTS

- \$69.50 per credit hour due soon after the classes begin
  - Cost based upon meeting Arizona residency and U.S. citizen/legal residency criteria
- For dual enrollment grant availability, check with campus counselor
- Courses taken under dual enrollment may impact federal financial aid eligibility. To obtain additional information, students are encouraged to inquire with the college or university where they intend to enroll

### ENROLLMENT INFORMATION

- Students that withdraw from the West-MEC program may receive college credit based on the number of completed courses.
- In a post-secondary setting, students are responsible for learning the policies of the institution to ensure that credits transfer to fulfill specific degree requirements. Visit [www.aztransfer.com](http://www.aztransfer.com) for Arizona colleges and universities
- Dual Enrollment credits on each campus may vary based on West-MEC faculty qualifications.
