Carl E. Gilbert Elementary School 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

| Admission Requirements for the University of California (UC) | Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at https://admission.universityofcalifornia.edu/ . |
|---------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Admission Requirements for the California State University (CSU) | Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <u>https://www2.calstate.edu/</u> . |

2024-25 School Description and Mission Statement

Principal's Message

Welcome to Carl E. Gilbert Elementary School's Annual School Accountability Report Card. This report provides valuable information about our school, including our academic performance, staff, programs, and facilities.

At Gilbert Elementary, we are committed to providing a supportive and rigorous learning environment that fosters academic growth and personal development. Our focus is on empowering students to reach their full potential through our innovative

2024-25 School Description and Mission Statement

Advancement Via Individual Determination (AVID) program. AVID equips students with essential skills like organization, critical thinking, and self-advocacy, setting them up for success in college and beyond.

In addition to AVID, we offer a variety of enrichment opportunities, including music and arts programs, to inspire creativity and broaden students' horizons. Our dedicated teachers and staff work collaboratively to implement a standards-aligned curriculum and provide targeted reading support to ensure all students have the tools they need to succeed.

We believe in a growth mindset, where challenges are seen as opportunities for learning and improvement. By nurturing a positive and inclusive school culture, we empower our students to become confident, lifelong learners.

We invite you to explore this report and learn more about our school. Together, we can create a bright and successful future for our students.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On September 9, 2024, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #24-03 Pupil Textbook and Instructional Material Compliance 2024-2025, which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbooks and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed, and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The following information shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2024.

School Facility Conditions and Planned Improvements

The custodian inspects facilities every morning before school begins for safety hazards or other conditions that need attention before students and staff enter the grounds. One full-time day custodian and one and one-half full-time evening custodian are assigned to Carl E. Gilbert Elementary School. The day custodian is responsible for the following:

- Classroom cleaning
- SOARS cleaning (after-school classrooms)
- Library cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Front of the school/curbside
- Hallways and grass area
- Drinking Fountains
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for the following:

- Classroom cleaning
- Restroom cleaning
- Main office cleaning
- Main office restrooms

The principal communicates with custodial staff daily concerning maintenance and school safety issues. All classrooms, restrooms, and common areas are sanitized daily using peroxide-based cleaning agents and electrostatic sprayers as needed, all staff receive (Healthy School Act Required Annual Training). This training then gives each person the legal ability to personally use the TRU-SHOT disinfectant handheld sprayers in their work areas for added protection.

Facilities Inspection

The district's maintenance department inspects Carl E. Gilbert Elementary School annually per Education Code §17592.72(c)(1). Carl E. Gilbert Elementary School uses a site inspection survey to identify unsafe conditions and facility improvement needs. The most recent school inspection took place on December 2, 2024. Deficiencies are noted in the school inspection survey and corrected promptly by the district's maintenance department. During the fiscal year 2024-2025, all restrooms will be fully functional and available for student use. The district makes great efforts to ensure that all schools are clean, safe, and functional through proper facility maintenance and campus supervision. Carl E. Gilbert Elementary School's original facilities were built in 1958; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. School and district staff use a work order process to communicate non-routine maintenance requests. Emergency repairs are given the highest priority.

In the last 12 months, the following improvements are currently in progress or completed:

 replace emergency water supply, Cal shape HVAC program replaced 41 HVAC units, slurry & stripe east parking lot, new chain link fencing, asphalt repair on blacktop, raise electrical vault, repair ball wall, new entrance gates with panic hardware, new irrigation valves, new media electrical in portables,

Annual Preventive Maintenance includes staff ID badges, air conditioning repairs & filter replacements with Merv 13 rated filters, test fire alarm system, service fire extinguishers, service backflow devices, trim trees, deep clean campus, replace basketball nets, paint front parking lot curbs.

B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

| Subject | School 2022-23 | School 2023-24 | District 2022-23 | District 2023-24 | State 2022-23 | State 2023-24 |

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

At Gilbert School, we believe that strong partnerships between home and school are essential for student success. We encourage parents to actively participate in their child's learning journey.

To foster this collaboration, we provide numerous opportunities for parent involvement:

Volunteer Opportunities: Classroom helpers, Fundraising events, GRIP Greeters, Monthly and weekly volunteer opportunities with the Gilbert PTA

Decision-Making Committees: English Learner Advisory Council, District English Learner Advisory Council, School Site Council, District Advisory Committee, District Safety Committee, Community of Schools Taskforce

Informative Events: Back to School Night, Open House, Student Performances, PTA and school-sponsored Family Events (e.g., Bingo for Books, Math Nights, Family Art Night), Awards Assemblies, Read Across America

Throughout the year, we strive to keep parents informed through various channels: Weekly Friday Grizzly message via Parent Square School marquee, School website, Parent conferences, Parent meetings

In-person parent training sessions have been offered, and we continue to explore ways to enhance parent engagement. We welcome your input and encourage you to contact the school office at (714) 522-7281 to learn more about how you can become involved in your child's education.

2024-25 School Safety Plan

The Comprehensive School Site Safety Plan was developed for Carl E. Gilbert Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and

departure from school, sexual harassment policy, and dress code policy. All safety plans were reviewed and approved in Fall 2024 by the Board on 10/14/2024. New safety plans will be reviewed in Spring 2025.

Professional Development

Over the past three years, professional learning for the Buena Park faculty has been aligned to the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS), and Gilbert Elementary's School Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths and specific areas of need. Using site surveys combined with data analysis from state assessments and District benchmark tests, a district-wide focus on increasing academic proficiency levels for all students is planned.

On-site Professional Development: During the year, time is devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and is designed to meet the specific needs of Gilbert Elementary students.

District Professional Development: The school district and school site provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with implementing district-wide initiatives, including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities.

Gilbert Elementary School staff participated in the following professional learning activities this school year :

- C.A.R.E. Roadmap
- Assessment and data analysis

Professional Development

- Reading and Writing Workshop
- CGI training
