2023-2024 School Accountability Report Card

(Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Principal's Message

Welcome to Gordon H. Beatty Middle School, proud home of the Broncos! We are excited to share our annual School Accountability Report Card, which provides key insights into our school's instructional programs, academic achievement, classroom resources, school safety, facilities, and dedicated staff.

At Beatty, we are deeply committed to providing our scholars with a rigorous and engaging curriculum while offering the

2024-25 School Description and Mission Statement

support they need to thrive during their middle school years. Our approach balances academic challenges with the social, emotional, and self-esteem needs of our students. We take pride in fostering an environment where students grow academically, socially, behaviorally, and ethically, preparing them to become confident, active citizens and self-directed lifelong learners. As partners in your child's education, we invite parents and guardians to join us in supporting their scholars' success. Your involvement is critical, whether through meaningful conversations about learning, dedication, and active participation or through continued engagement throughout their educational journey. Together, we can ensure every scholar is equipped for success, not only in middle school but through high school and beyond.

Our diverse community of learners is one of our greatest strengths, representing a variety of economic, linguistic, and cultural backgrounds. To meet the needs of all students, Gordon H. Beatty Middle School provides tiered interventions for academic, social, and behavioral support. We implement Positive Behavior Intervention and Support (PBIS) to help students succeed in every area. By setting high expectations and offering targeted interventions, we ensure the success of the whole child. At Beatty, our mission is clear: to "Educate, Motivate, and Inspire all students to achieve academic success and become productive global citizens." We take great pride in working alongside parents to create an environment that nurtures responsibility, pride, academic achievement, and lifelong learning.

Thank you for being a part of our vibrant school community. Together, we will continue to provide an enriching and supportive environment where all scholars can excel.

2024-25 Quality, Currency, Availability of Textbooks and Other Instructional Materials

On September 9, 2024, the Buena Park School District's Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Governing Board approved Resolution #24-03 Pupil Textbook and Instructional Material Compliance 2024-2025, which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students in the district, including English learners, to the extent that each pupil has a textbook or instructional materials or both to use in class and to take home; and (2) that sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in English/language arts, math, science, and history-social science.

All textbooks and support materials are selected from the state's list of approved materials and adopted by the State Board of Education. Materials approved for use are reviewed, and a recommendation is made to the Governing Board by a selection committee composed of teachers, administrators, and parents. All recommended materials are available for parent examination at the district office prior to adoption. The following information shows the currency and availability of the textbooks and other instructional materials used at the school as of September 2024.

School Facility Conditions and Planned Improvements

The custodian inspects facilities every morning before school begins for safety hazards or other conditions that need attention before students and staff enter the grounds. One full-time day custodian and two full-time evening custodians are assigned to Gordon H. Beatty Middle School. The day custodian is responsible for the following:

- Classroom cleaning
- Cafeteria/kitchen setup and cleanup
- Restroom cleaning
- Main office cleaning
- Event set up

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed.

Evening custodians are responsible for:

- Classroom cleaning
- Restroom cleaning
- Cafeteria cleaning
- Main office cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues. All classrooms, restrooms, and common areas are sanitized daily using peroxide-based cleaning agents and electrostatic sprayers as needed, all staff receive (Healthy School Act Required Annual Training). This training then gives each person the legal ability to personally use the TRU-SHOT disinfectant handheld sprayers in their work areas for added protection.

Facilities Inspection

The district's maintenance department inspects Gordon H. Beatty Middle School annually by Education Code §17592.72(c)(1). Gordon H. Beatty Middle School uses a site inspection survey to identify unsafe conditions and facility improvement needs. The most recent school inspection took place on December 5, 2024. Deficiencies are noted in the school inspection survey and corrected in a timely manner by the district's maintenance department. During the fiscal year 2024-2025, all restrooms will be fully functional and available for student use. The district makes great efforts to ensure that all schools are clean, safe, and functional through proper facility maintenance and campus supervision. Gordon H. Beatty Middle School's original facilities were built in 1966; ongoing maintenance and campus improvements ensure facilities remain up-to-date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. School and district staff use a work order process to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- replaced emergency water supply, replaced under stage doors, replaced east parking lot asphalt, slurry & stripe west parking lot, remodel library, installed new music portable, Cal shape HVAC program replaced 8 HVAC units, replaced restroom ceilings #12 & 17, installed new irrigation pump system, replaced main office main breaker, replaced staff restroom door locks with occupied indicators, replace library water heater, added intrusion alarm & fire alarm in new music portable. Learning Center- added exterior lighting, replaced main office entry carpeting.
- Annual Preventive Maintenance includes staff ID badges, air conditioning repairs & filter replacements with Merv 13 rated filters, test fire alarm system, service fire extinguishers, service backflow devices, trim trees, deep clean campus, replace basketball nets, paint front parking lot curbs.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Professional Development

Over the past three years, the Buena Park School District's faculty's professional learning has aligned with the California State Content Standards and Frameworks, Multi-Tiered System of Support (MTSS), and Beatty Middle School's Plan for Student Achievement. At the District level, a team of administrators specializing in curriculum and instruction identifies teaching and learning strengths and specific areas of need. Using site surveys combined with data analysis from state assessments and District benchmark tests, a district-wide focus on increasing academic proficiency levels for all students is planned.

On-site Professional Development: Teachers are provided professional development opportunities in instructional strategies, assessments, and curriculum planning. During the year, time is devoted to data analysis and planning for differentiated instruction and intervention. Site professional development is mirrored with the district plan for instruction and assessment and is designed to meet the specific needs of Beatty Middle School students.

District Professional Development: The school district provides teachers with ongoing professional development to advance content knowledge, instructional expertise, and collaborative planning. Training to support teachers with implementing district-wide initiatives, including Common Core State Standards, new curriculum and units of study, assessment development, and establishing Professional Learning Communities. Teachers are given opportunities to develop both the art of teaching and instructional leadership skills by attending ongoing training and coaching led by OCDE (Orange County Department of Education) consultants in CGI (Cognitively Guided Instruction), literacy consultants, ELD (English Language Development) consultants, and the District TOSA.

Beatty Middle School staff participated in the following professional learning activities over the past three school years:

- Common Core State Standards
- Writing Workshop Strategies
- Balanced Literacy
- Assessment and data analysis
- Reading and Writing Workshop
- Mathspace and CGI training
- Academic discourse and student engagement using AVID strategies
- Next Generation Science Standards (NGSS) instructional shifts, curriculum and resources
- STEM practices and planning
- History-Social Science standards, resources, and instructional best practices
- English Language Development (ELD) instructional practices and assessment
- Designated English Language Development (D-ELD) training in instructional practices and assessment
- Innovative integrated technology
- GATE certification for 6th-8th grade teachers
- Positive Behavior Intervention Support (PBIS)
- Character Strong training
- Assessment literacy
- Professional Learning Community (PLC)
- MTSS academic behavior and social-emotional development training
- iReady training
