

NEW PROCESS FOR ELECTING LGSUHSD BOARD TRUSTEES

On January 14, 2025, the LGSUHSD Board of Trustees approved an initial plan to transition from at-large board elections to by-trustee area board elections starting in 2026. In a by-trustee area election, only voters who live within a given trustee's area can vote for the candidate(s) who resides within that area.

WHY BY-TRUSTEE AREA ELECTIONS?

Enhanced Representation

Each area within the district will have a dedicated representative, ensuring that diverse voices of the community are reflected on the school board.

Increased Accountability

Board Members will be more directly accountable to the constituents in their specific area, allowing for more focused and localized attention.

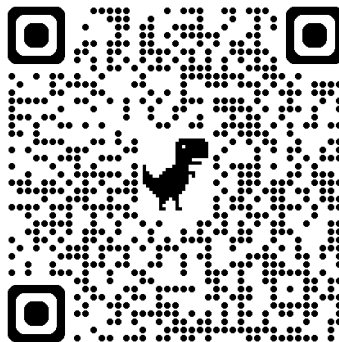

Greater Engagement

With representatives drawn from specific areas, residents may feel more connected and involved in the decision-making process.
