

Oxnard Union High School District

**SECTION 4000
PERSONNEL**

**BOARD POLICY
BP 4112.2**

CERTIFICATION

The Governing Board recognizes that the district's ability to provide a high-quality educational program is dependent upon the employment of certificated staff who are adequately prepared and have demonstrated proficiency in basic skills and competency in the subject matter to be taught. The Superintendent or Assistant Superintendent Human Resources shall ensure that persons employed to fill positions requiring certification qualifications possess the appropriate credential, permit, or other certification document from the Commission on Teacher Credentialing (CTC) and fulfill any additional state, federal, or district requirements for the position.

The Superintendent or Assistant Superintendent Human Resources shall provide assistance and support to teachers holding preliminary credentials to enable them to meet the qualifications required for the clear credential.

Priorities for Hiring Based on Unavailability of Credentialed Teacher

The Superintendent or Assistant Superintendent Human Resources shall make reasonable efforts to recruit a fully prepared teacher who is authorized in the subject or setting for each assignment or, when necessary, a fully prepared teacher serving on a local assignment option. Whenever a teacher with a clear or preliminary credential is not available, and the Board adopts a resolution that it has made reasonable efforts to recruit a fully prepared teacher for the assignment, the Superintendent or Assistant Superintendent Human Resources shall make reasonable efforts to recruit an individual for the assignment in the following order:

1. A candidate who enrolls in an approved internship program in the region of the district and possesses an intern credential.
2. A candidate who is scheduled to complete preliminary credential requirements within six months and who is granted a provisional internship permit (PIP) or short-term staff permit issued by CTC.

The Board shall take action to approve, at an open Board meeting, a notice of its intent to employ a PIP applicant for a specific position.

3. An individual who has been granted a credential waiver by CTC.

Annually, the Board shall, prior to requesting that CTC issue an emergency permit or limited assignment permit, approve a Declaration of Need for Fully Qualified Educators. The Declaration of Need shall be approved by the Board as an action item at a regularly scheduled open Board meeting, with the entire Declaration of Need being included in the Board agenda.

The Declaration of Need shall certify that there is an insufficient number of certificated persons who meet the district's specified employment criteria for the position(s) and that the district has made reasonable efforts to recruit individuals who meet the qualifications specified in Items #1-2 above. The Declaration of Need shall also indicate the number and type of emergency permits and limited assigned permits that the district estimates it will need during the valid period of the Declaration of Need, based on the previous year's actual needs and projections of enrollment. It shall also specify each subject to be listed on the General Education Limited Assignment Single Subject Teaching Permits and the target language on

Emergency Bilingual Permits. Whenever the actual number of permits needed exceeds the estimate by 10 percent, the Board shall revise and resubmit the Declaration of Need.

Whenever it is necessary to employ non-credentialed teachers to fill a position requiring certification qualifications, the Superintendent or Assistant Superintendent Human Resources shall provide support and guidance in accordance with law to ensure the quality of the instructional program.

National Board for Professional Teaching Standards Certification

The Superintendent or Assistant Superintendent Human Resources shall promote a career continuum that includes participation of district teachers in professional learning that supports their completion of advanced certification awarded by the National Board for Professional Teaching Standards (NBPTS). The Superintendent or Assistant Superintendent Human Resources may coordinate a cohort of teachers through school or district programs or other available networks.

With Board approval and funding, and consistent with the collective bargaining agreement and applicable law, the Superintendent may provide an incentive program for teacher participation in NBPTS certification, which may include:

1. Defraying, subsidizing, or reimbursing the registration, certification, or maintenance fees for NBPTS certification.
2. Providing bonuses, step increases, or differential pay for teachers who maintain their certification and continue to teach in the district, with priority given to teachers at Title I schools and schools serving a majority of low-income students.
3. Providing substitute teachers to provide release time for participating teachers.
4. Providing stipends for teacher participation that match other professional development stipends.
5. Compensating mentor teachers who support other teachers' professional learning aligned to NBPTS standards.

Parental Notifications

At the beginning of each school year, the Superintendent or Assistant Superintendent Human Resources shall notify the parents/guardians of each student attending a school receiving Title I funds that they may request information regarding the professional qualifications of their child's classroom teacher including, but not limited to, whether the teacher:

1. Has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
2. Is teaching under emergency or other provisional status through which state qualification or licensing criteria have been waived.
3. Is teaching in the field of discipline of the teacher's certification.

In addition, the Superintendent or Assistant Superintendent Human Resources shall notify parents/guardians in a timely manner whenever their child has been assigned, or has been taught for four or more consecutive weeks by, a teacher who does not meet applicable state certification or licensure requirements at the grade level and subject area to which the teacher has been assigned.

Oxnard Union High School District

**SECTION 4000
PERSONNEL**

**ADMINISTRATIVE REGULATIONS
AR 4112.2**

CERTIFICATION

Verification of Credentials

The Superintendent or Assistant Superintendent Human Resources shall verify that each employee in a position requiring certification qualifications possesses a valid certification document issued by the Commission on Teacher Credentialing (CTC).

The Superintendent or Assistant Superintendent Human Resources shall verify that any person who is employed by the district while CTC is processing the application for certification possesses a temporary certificate based on a demonstration of basic skills and completion of a criminal background check. (Education Code 44332, 44332.5, 44332.6)

The Superintendent or Assistant Superintendent Human Resources shall maintain records of the appropriate certification of all employees serving in certificated positions.

Basic Skills Proficiency

The district shall not initially hire a person in a position requiring certification, on a permanent, temporary, or substitute basis, unless that person has demonstrated basic skills proficiency in reading, writing, and mathematics or is specifically exempted from the requirement by law. (Education Code 44252, 44252.6, 44830)

A person may demonstrate basic skills proficiency in reading, writing, and mathematics by:

1. Passage of the California Basic Educational Skills Test. (CBEST) (Education Code 44252.5)
2. Passage of the California Subject Examinations for Teachers: Multiple Subjects plus Writing Skills Examination.
3. Passage of the California State University (CSU) Early Assessment Program or the CSU Placement Examinations. (Education Code 44252)
4. Achieving a qualifying score on the Scholastic Aptitude Test or the American College Test. (Education Code 44252)
5. Achieving a qualifying score on College Board Advanced Placement Examinations.
6. Passage of a basic skills examination from another state.
7. Qualifying coursework. (Education Code 44252)
8. Qualifying coursework and exams. (Education Code 44252)

The district may hire a certificated employee who has not taken a test of basic skills proficiency if the employee has not yet been afforded the opportunity to take the test, provided that the employee takes the test at the earliest opportunity. The employee may remain employed by the district pending the receipt of the test results. (Education Code 44830)

An out-of-state prepared teacher shall meet the basic skills requirement within one year of being issued a California preliminary credential by CTC unless the teacher has completed a basic skills proficiency test in another state, passed a basic skills proficiency test developed and administered by the district, by cooperating districts or by the county office of education (COE), or is otherwise exempted by law. The district shall develop a basic skills proficiency test, which shall be at least equivalent to the district test required for high school graduation, for purposes of assessing out-of-state prepared teachers pending completion of the basic skills requirement. (Education Code 44252, 44274.2; 5 CCR 80071.4, 80413.3)

Any person holding or applying for a "designated subjects special subjects" credential which does not require possession of a bachelor's degree shall pass a district proficiency test in lieu of meeting the state basic skills proficiency requirement. (Education Code 44252, 44830)

The district may charge a fee to persons being tested to cover the costs of developing, administering, and grading the district proficiency test. (Education Code 44252, 44830)

Short-Term Staff Permit

The district may request that CTC issue a short-term staff permit (STSP) to a qualified applicant whenever there is a need to immediately fill a classroom based on unforeseen circumstances, including, but not limited to: (5 CCR 80021)

1. Enrollment adjustments requiring the addition of another teacher.
2. Inability of the teacher of record to finish the school year due to approved leave or illness.
3. The applicant's need for additional time to complete preservice requirements for enrollment into an approved internship program.
4. Inability of the applicant to enroll in an approved internship program due to timelines or lack of space in the program.
5. Unavailability of a third-year extension of an internship program or the applicant's withdrawal from an internship program.

The Superintendent or Assistant Superintendent Human Resources shall ensure that the applicant possesses a bachelor's or higher degree from a regionally accredited college or university, has met the basic skills proficiency requirement unless exempted by state law or regulations, and has satisfied the coursework/experience requirements specified in 5 CCR 80021 for the multiple subject, single subject, or education specialist STSP as appropriate. (5 CCR 80021)

When requesting issuance of an STSP, the Superintendent or Assistant Superintendent Human Resources shall submit to CTC: (5 CCR 80021)

1. Verification that the district has conducted a local recruitment for the permit being requested.
2. Verification that the district has provided the permit holder with orientation to the curriculum and to instruction and classroom management techniques and has assigned a mentor teacher for the term of the permit.
3. Written justification for the permit signed by the Superintendent or Assistant Superintendent Human Resources.

The holder of an STSP may be assigned to provide the same service as a holder of a multiple subject, single subject, or education specialist credential in accordance with the authorizations specified on the permit. (5 CCR 80021)

Provisional Internship Permit

Before requesting that CTC issue a provisional internship permit (PIP), the district shall conduct a diligent search for a suitable credentialed teacher or intern, including, but not limited to, distributing job announcements, contacting college and university placement centers, and advertising in print or electronic media. (5 CCR 80021.1)

Whenever a suitable credentialed teacher cannot be found after a diligent search, the Superintendent or Assistant Superintendent Human Resources may request that CTC issue a PIP to an applicant who possesses a bachelor's or higher degree from a regionally accredited college or university, has met the basic skills proficiency requirement unless exempted by state law or regulations, and has satisfied the coursework/experience requirements specified in 5 CCR 80021.1 for the multiple subject, single subject, or education specialist PIP as appropriate. (5 CCR 80021.1)

When submitting the request for a PIP, the district shall provide verification of all of the following: (5 CCR 80021.1, 80026.5)

1. A diligent search has been conducted for a suitable credentialed teacher or suitable qualified intern as evidenced by documentation of the search.
2. Orientation, guidance, and assistance will be provided to the permit holder as specified in 5 CCR 80026.5. The orientation shall include, but not be limited to, an overview of the curriculum the permit holder is expected to teach and effective instruction and classroom management techniques at the permit holder's assigned level. The permit holder also shall receive guidance and assistance from an experienced educator who is a certificated district employee or a certificated retiree from a California district or COE and who has completed at least three years of full-time classroom teaching experience.
3. The district will assist the permit holder in developing a personalized plan through a district-selected assessment that would lead to subject-matter competence related to the permit.
4. The district will assist the permit holder to seek and enroll in subject-matter training, such as workshops or seminars and site-based courses, along with training in test-taking strategies, and shall assist the permit holder in meeting the credential subject-matter competence requirement related to the permit.
5. A notice of intent to employ the applicant in the identified position has been made public. The district shall submit a copy of the agenda item presented at an open Governing Board meeting which states the name of the applicant, the assignment in which the applicant will be employed including the name of the school, subject(s), and grade(s) that the applicant will be teaching, and that the applicant will be employed on the basis of a PIP. The district also shall submit a signed statement from the Superintendent or Assistant Superintendent Human Resources that the agenda item was acted upon favorably.
6. The candidate has been apprised of steps to earn a credential and enroll in an internship program.

The holder of a PIP may be assigned to provide the same service as a holder of a multiple subject, single subject, or education specialist credential in accordance with the authorizations specified on the permit. (5 CCR 80021.1)

Teaching Permit for Statutory Leave

Whenever there is an anticipated need for the district to temporarily fill the teaching assignment of a teacher of record who will be on sick leave, differential sick leave, industrial accident or illness leave, pregnancy disability leave, administrative leave related to dismissal and suspension proceedings, military leave, or family care and medical leave under the federal Family and Medical Leave Act or California Family Rights Act, the Superintendent or Assistant Superintendent Human Resources may request that CTC issue a

Teaching Permit for Statutory Leave (TPSL) to a qualified individual who will be serving as the interim teacher of record. Prior to submitting an application to CTC, the district shall provide the applicant with 45 hours of preparation in the content areas listed in 5 CCR 80022. (5 CCR 80022)

A request for the TPSL shall only be submitted if the district has made reasonable efforts to hire a substitute with a full teaching credential that matches the setting and/or subject for the statutory leave position and no such candidate is available. (5 CCR 80022)

The district shall verify to CTC that it will provide the interim teacher: (5 CCR 80022)

1. An orientation to the assignment before or during the first month of service in the statutory leave assignment.
2. An average of two hours of mentoring, support, and/or coaching per week through a system of support coordinated and/or provided by a mentor who possesses a valid life or clear credential that would also authorize service in the statutory leave assignment.
3. Lesson plans for the first four weeks of the assignment as well as continued assistance in the development of curriculum, lesson planning, and individualized education programs.

The holder of the TPSL may serve as the interim teacher of record for up to the full length of the leave(s) during the school year. (5 CCR 80022)

The Superintendent or Assistant Superintendent Human Resources shall maintain documentation on the assignment in accordance with 5 CCR 80022 and annually report data on the use of the TPSL to the County Superintendent of Schools for assignment monitoring pursuant to Education Code 44258.9. (5 CCR 80022)

The Superintendent or Assistant Superintendent Human Resources may annually request renewal of the TPSL, provided that no substitute with a full teaching credential is available for the assignment. The application for each reissuance shall include verification that the interim teacher has completed an additional 45 hours of preparation and the district is continuing to provide mentoring in accordance with Items #2-3 above. (5 CCR 80022)

Long-Term Emergency Permits

As necessary, the Superintendent or Assistant Superintendent Human Resources may request that CTC issue an emergency resource specialist permit, emergency teacher librarian services permit, emergency cross-cultural language and academic development permit (CLAD), or emergency bilingual authorization permit. (5 CCR 80024.3.1, 80024.6, 80024.7, 80024.8)

The Superintendent or Assistant Superintendent Human Resources shall provide any first-time recipient of an emergency teaching permit with an orientation which, to the extent reasonably feasible, shall occur before beginning a teaching assignment. The Superintendent or Assistant Superintendent Human Resources may vary the nature, content, and duration of the orientation to match the amount of training and experience previously completed by the emergency permit teacher. The orientation shall include, but not be limited to, the curriculum the teacher is expected to teach and effective techniques of classroom instruction and classroom management at the assigned grade-level span. The emergency permit holder also shall receive guidance and assistance from an experienced educator who is a certificated district employee or a certificated retiree from a California district or COE and who has completed at least three years of full-time classroom teaching experience. (5 CCR 80026.5)

Substitute Teaching Permits

The district may employ a person whose credential or permit authorizes substitute teaching services, provided that:

1. A person holding an emergency 30-day substitute teaching permit, STSP, PIP, TPSL, or any valid teaching or services credential that requires at least a bachelor's degree and completion of the CBEST, shall not serve as a substitute for more than 30 days for any one teacher during the school year or as a substitute in a special education classroom for more than 20 days for any one teacher during the school year. (5 CCR 80025, 80025.3, 80025.4)
2. A person with an emergency career substitute teaching permit shall not serve as a substitute for more than 60 days for any one teacher during the school year. (5 CCR 80025.1)
3. A person with an emergency substitute teaching permit for prospective teachers shall not serve as a substitute for more than 30 days for any one teacher during the school year and not more than 90 days total during the school year. (5 CCR 80025.2)
4. A person with an emergency designated subjects 30-day substitute teaching permit for career technical education shall teach only in a program of technical, trade, or vocational education and shall not serve as a substitute for more than 30 days for any one teacher during the school year. (5 CCR 80025.5)

Before employing a person with an emergency substitute permit pursuant to Item #1 or 4 above, the Superintendent or Assistant Superintendent Human Resources shall prepare and keep on file a signed Statement of Need for the school year. The Statement of Need shall describe the situation or circumstances that necessitate the use of a 30-day substitute permit holder and state either that a credentialed person is not available or that the available credentialed person does not meet the district's specified employment criteria. (5 CCR 80025, 80025.5)
