6. PUBLIC ADDRESSES THE BOARD

Upon a motion by Commissioner Van Stone and duly seconded by Commissioner O'Brien, it was voted unanimously to suspend the regular order of business at 5:34 p.m. to allow the public to address the Board.

Sonya Minnis, 571 Cooke Street stated she's been a bus driver for 27 years and works for Durham Transportation and this is the worst she's ever seen; they are leaving kids at the bus stops. There are new route changes, drivers are upset, and things are not getting better.

Gene Pace, 36 Mount Fair Drive, Watertown stated he's been a bus driver for about five years. Routes are being changed daily, stops on the routes, times are off, children are getting left behind. Stops that have been removed have people still waiting at them. There is also a constant overload of students – 10 to 15 extra. He also stated that there are issues with refueling; buses are down because there's not enough fuel.

Roxanne Bush, [REDACTED] has a second grader and fifth grader enrolled in the district. The bus issues are not COVID related; this has been going on long before. When her son was five years old he was left in a neighborhood by himself for three hours and when she was made aware of it he was found wondering around the neighborhood and on another occasion the year after, he was left at the doorstep alone. She stated last week her children were left at the bottom of East Main and Cherry alone and we all know what goes on down at the bottom, they were left to walk to their after school program alone. She would like the administration to get our children home safe.

Antonia Antico, 1231 Baldwin Street has a daughter who attends West Side Middle School and stated the bus problem is horrendous. Many times it doesn't come at all and the kids are standing outside in all kinds of weather conditions. No one answers the phone at the bus company. She's worried about her daughter's safety. There are students standing up and sitting on the floor of the buses.

Upon a motion by Commissioner Van Stone and duly seconded by Commissioner Hernandez, it was voted unanimously to return to the regular order of business at 5:46 p.m.

7. SUPERINTENDENT'S ANNOUNCEMENTS

The Superintendent informed the attendees that representatives from Durham were invited and are present at tonight's meeting. There will be no direct responses tonight, the staff and the bus company will be in touch with parents about any concerns they have; the bus company will respond to you directly.

Dr. Ruffin presented a PowerPoint and shared the following:
