requirements to procure vendors who provide goods purchased by Dallas ISD using federal dollars. This proposal may be used with local, state, federal, and grant-funded programs.

PURPOSE OF REQUEST FOR PROPOSAL (RFP)

This Request for Proposal (RFP) will be for the purchase of various food products from multiple suppliers for Food Service cafeterias districtwide. Commercial food products consist of dry and frozen foods which students rated extremely high during various taste-test events. These foods are to be delivered to the Food and Child Nutrition Services - Maria Luna Facilities Warehouse at 1515 Al Lipscomb Way, Dallas, Texas 75215.

- Dallas ISD is seeking offers for commercial food products, as noted elsewhere in this proposal document.
- Dallas ISD is seeking to contract with the most qualified vendors for products and/or services related to providing commercial K-12 school foods.
- Selected vendors will continually advise and support the District in the innovation of new products.
- Selected vendors will provide input and assistance in the District's efforts to consider which items currently are best suited for District menus, with appropriate consideration given to student acceptability.

Dallas ISD sits in the heart of a large, diverse, and dynamic region with a metropolitan population of 6.5 million people in the 12 counties in North Central Texas. Dallas ISD comprises 384 square miles and encompasses the cities of Dallas, Cockrell Hill, Seagoville, Addison, Wilmer, and parts of Carrollton, Cedar Hill, Desoto, Duncanville, Farmers Branch, Garland, Grand Prairie, Highland Park, Hutchins, Lancaster, and Mesquite.

The District is the 2nd-largest public school district in the state and the 14th-largest district in the nation.

Dallas ISD is proud of its award-winning schools, outstanding teachers and staff, hard-working students, committed parents, and volunteers. The District serves approximately 140,000 students in pre-kindergarten through the 12th grade in 230 schools, employing nearly 20,000 dedicated professionals.

DISTRICT OBJECTIVE AND VISION

Dallas ISD is seeking to continue to redefine our food acquisition process to engage in a more effective, least-cost purchasing model, to reduce overall food costs taking into consideration all associated costs, including but not limited to, the costs of ensuring timely delivery, product availability, and product quality.

The District is seeking to enhance supply chain efficiencies through innovation and desires to partner with vendors who will help the District procure and/or develop products in a timely and efficient manner while being the most responsive to the needs and tastes of District students. The District is looking towards adopting the Urban School Food Alliance Responsible Antibiotic Use Poultry Standard. Therefore, the District is seeking proposals for poultry products that are produced under a USDA Process Verified Program (PVP) for Certified Responsible Antibiotic Use (CRAU), No Antibiotics Ever (NAE), and/or No Antibiotic Important in Human Medicine (NAIHM).

To have a partnership relationship that provides flexibility and innovation as envisioned may provide unique opportunities for the selected vendors to greatly benefit from the District's participation in the Urban School Food Alliance.

LOTS - PRODUCTS GROUPED BY LIKE INGREDIENTS OR SIMILAR ITEMS

- Multiple items that use the same commodity as an ingredient may be grouped together.
- All items in a lot must be bid to be considered a successful bid for the "Lot".

SCOPE AND SPECIFICATIONS OF THE PROPOSAL

- If any one item of a lot is relinquished, the entire lot may be relinquished at the discretion of FCNS.
- Lots will be awarded to the most responsive bidder that meets our specifications and quality needs within the best value as determined by the District and through student preference testing.
- The District will make a determination for the product that will be in the best interest of the students.

This RFP shall be awarded for the period beginning July 1, 2025, through June 30, 2026, with two (2) one-year renewal options (pending estimated Board approval), and pricing shall remain firm for this initial period. All option years will be granted at the unilateral discretion of Dallas ISD based on factors such as, but not limited to, pricing, service satisfaction, compliance with terms and conditions, and the needs of the District. Dallas ISD has the right to terminate a resulting multi-year contract without penalty for non-appropriation or non-availability of funds by delivery to the offeror of a "Notice of Termination" specifying the extent to which performance hereunder is terminated and the date upon which such termination becomes effective.

MARKETING SUPPORT AND PROMOTIONAL ASSISTANCE

Dallas ISD will review and approve any technical support, training, and promotional items pertaining to your product after the RFP is awarded. Awarded vendors are allowed to provide marketing support and promotional assistance to Food and Child Nutrition Services (FCNS) upon terms mutually acceptable to both parties. All marketing support and promotional assistance are to benefit the Child Nutrition programs only.

Providing marketing materials and services is not required, nor shall receiving such inhibit current FCNS practices that foster a fair, open, transparent, and competitive procurement environment.

All marketing materials and promotions used in Dallas ISD schools must be approved by the Food and Child Nutrition Services Director of Support Services prior to shipment and/or use. Failure to meet this requirement can result in termination of the agreement.

ALTERNATES, SUBSTITUTES, AND DISCONTINUATIONS

The awarded vendors must notify the Food and Child Nutrition Services department in writing (e-mail is acceptable) of all shortages, back-orders, and out-of-stock items a minimum of two (2) business days in advance of the event. Substitutions must be of the same or higher quality and invoiced at the original bid price. If the vendor does not contact the Dallas ISD Food Services department as outlined above, the department reserves the right to purchase the product(s) from another source and charge the difference in cost, if any, back to the awarded vendor.

SAMPLES

- Samples are NOT required upon bid submission.

a projected menu and prior usage and may be subject to change. No guarantee to purchase items can be made, as the menu is subject to change at any time. The District reserves the right to purchase additional quantities of items as listed on this bid, subject to verification of the same or lower prices and conditions of the bid. The District reserves the right to purchase less than or none of the quantities listed on this bid; doing so will not cause any adverse action or affect the price or conditions of the bid. The District reserves the right to purchase in full truckload or less than a full truckload. The bid price as quoted and awarded will apply to both truckload and less-than-truckload quantities. The District will pay no penalties or additional payments due to the District ordering less than a truckload quantity. The District reserves the right not to purchase any item on this bid or any item listed on this purchase agreement.

PROOF OF QUALITY AND/OR ADHERENCE TO SPECIFICATIONS

If the product deviates from specifications, is found to be inferior, or is not the original product that was bid, the vendor will be given notice to pick up the product and issue credit to Dallas ISD. Dallas ISD reserves the right to terminate the contract for said product and award the bid to the next-lowest priced awarded vendor.

ORIGIN AND MANUFACTURING

Dallas ISD may give preference to an agricultural commodity that is produced in the United States, and a food product that is processed in the United States substantially using agricultural commodities that are produced in the United States. **Preference may be given to local products. The definition of "local" is Texas and adjacent states within 500 miles.**

WAREHOUSE DELIVERY SPECIFICATIONS

- All deliveries shall be FOB to the Dallas ISD Food and Child Nutrition Services (FCNS) Department - Maria Luna Food Service Facilities Warehouse at 1515 Al Lipscomb Way, Dallas, Texas 75215.
- A purchase order for each product will be furnished to the successful bidder before the required delivery date based on the lead time provided by the manufacturer in the bid documents. The "Need-By" date on the purchase order is the preferred date that we want to have the product delivered by. It does NOT indicate that you have a booked appointment for that date. The actual date and time of delivery will be established when the supplier or truck line calls to schedule the delivery appointment.
- Appointments must be made sufficiently in advance to have the product arrive by the "Need-By" date.
 - Do not call to book an appointment if you do not have a purchase order.
 - Call the **FCNS Warehouse** at **(214) 932-5510** to book all delivery appointments. We do NOT accept appointments via e-mail.
 - Normal delivery times are Monday through Friday, from 6:00 a.m. to 1:00 p.m.
 - Do not email or call FCNS Procurement personnel that place or provide the purchase orders to book delivery appointments. Only warehouse personnel can book appointments.
 - Delivered products shall be on **48" x 40"** pallets stacked a maximum of **50"** high and weighing a maximum of **3000 lbs**. Products **MUST** be palletized.
 - The vendor is responsible for all costs related to loads that do not meet pallet and height requirements. The vendor will be responsible for the cost to palletize according to requirements at the dock. Vendors may have their delivery person palletize or pay for contracted lumber services. FCNS does not offer contracted lumber services. Should FCNS have to utilize our own pallets, fees will be applied per pallet used.
 - Pallets must be shrink/film wrapped. It is not preferred that we receive mixed pallets of different products and dates for large orders. Each product must be on its own pallet. In addition, products with different "Best By" dates must also NOT be mixed in pallets. In essence, each pallet should have the same product and the same "Best By" date. It is unacceptable to receive a pallet with various "Best By" dates of the same product.
 - The Bill of Lading needs to show the **correct purchase order number** with the product and quantity shipped, even if it's coming from a third-party delivery service.

SCOPE AND SPECIFICATIONS OF THE PROPOSAL

- Test cases will be pulled from the pallets upon delivery to test the temperature.
- Products not meeting the above temperature and physical requirements **will be refused**.
- If the delivery is refused, the vendor will be responsible for reloading the product back onto the delivery truck and removing it from Dallas ISD premises.
- If time permits Dallas ISD to receive a replacement product, this will be allowed.
- If time does not permit replacement, and a substitute product must be obtained to avoid inconvenience to the students of the District (such as a menu change), any additional costs incurred will be charged to the supplier whose product did not comply with the aforementioned requirements.

PRODUCT QUALITY REQUIREMENTS

- No physical damage to the packaging.
- No abnormal odor to the packing, packaging, or contents.
- No physical evidence of rodent, insect, or bacterial contamination.
- Vendor will allow the District to inspect deliveries for imperfections (i.e. weevil infestation).
- If such imperfections are found upon delivery, the product(s) will be rejected.
- If such imperfections are found later, the vendor will be contacted and asked to pick up the items and replace them or issue a credit for the full purchase amount.
- The vendor is responsible for ensuring all products are wholesome and free of contamination throughout the delivery process until accepted at the Dallas ISD FCNS Warehouse dock.
- Pallets shall be pallet-wrapped so they arrive in their original "as made" condition (i.e. badly torn pallet wrap, damaged cartons, collapsed cartons, and cartons showing signs of thawing and re-freezing will be rejected).
- Each case must display descriptive information sufficient to identify contents of case, quantity of contents, expiration of "Best By" date in easy-to-read format, UPC and/or other product identification codes.

INVOICING

The vendor shall provide an original invoice for each shipment. The original invoice is the official pay document used by the FCNS Accounts Payable Department of Dallas ISD.

It will be the responsibility of the awarded vendor to manage any pricing deviations or bill-backs between itself and the commercial distributor.

<p>SCOPE AND SPECIFICATIONS OF THE PROPOSAL</p>
<p>All credits, rebates, discounts, promotional incentives, or any other form of payment that lowers costs to the vendor must be passed on to Dallas ISD FCNS. General Information regarding the M/WBE Compliance Guidelines and Forms

The district’s aspirational M/WBE goal is **30%** for goods, services, and construction contracts. The district’s aspirational M/WBE goal for bond funded professional service contracts is **35%**. The district may assign a contract specific M/WBE goal in lieu of the aspirational goal. Review your solicitation documents to determine which M/WBE goal will apply. The established M/WBE goal is applicable to any change orders, additional services, modifications or revisions to the original contract. It’s the contractors’ responsibility to be aware and in compliance with all local, state and federal regulations and requirements related to M/WBE programs.

Section 12. | During Bid/Proposal Submission

M/WBE Forms. Submit the completed, signed, and dated M/WBE Compliance Guidelines & Forms by the due date. Include all M/WBE supporting documentation including, but not limited to M/WBE Certificates, Affirmative Action, Equal Employment Opportunity or Supplier Diversity Plan, signed, dated and notarized Joint Venture Agreement, signed, dated and notarized Mentor Protégé Agreement and Minutes or Prime-Subcontractor Teaming Agreement. Each proposal is evaluated independently against other proposers.

M/WBE Scoring Criteria. The district’s M/WBE Evaluation Scoring Criteria has been established as follows:

	M/WBE Criteria	Maximum Point Allocation
A.	Proposer demonstrated a commitment to the district’s M/WBE program by providing enhancements to the administration of the proposer’s contracting process for the work to be done by M/WBE firms. <i>Examples of this commitment may include any of the following: expedited payments, Mentor Protégé Programs, early release of retainage, expanding the pool of diverse subcontractors to firms that have not done business with the district, etc.</i>	3
B.	Proposer submitted a list of 2 (two) M/WBE subcontractor references.	2
C.	Proposer is a certified M/WBE OR Proposer submitted a Joint Venture Agreement with a certified M/WBE OR Proposer submitted a Prime Subcontractor Teaming Agreement with a certified M/WBE.	5
D.	Proposer submitted a diverse list of certified M/WBE subcontractors, subconsultants or suppliers that meets or exceeds the district’s M/WBE aspirational goal in meaningful and significant roles OR Proposer demonstrated outreach designed to meet the M/WBE project goals with a diverse M/WBE team of subcontractors, suppliers and subconsultants.	5
E.	Proposer demonstrated a comprehensive framework and understanding of the district’s M/WBE program by: providing a written and detailed M/WBE compliance plan, designating a high ranking individual or knowledgeable consultant who will be responsible for M/WBE contract compliance, monitoring and reporting, ensuring no unauthorized changes to M/WBE subcontractors, adhering to the M/WBE commitment and subcontractor payment terms, executing the M/WBE subcontracting schedule, complying with the district’s M/WBE Program guidelines, etc.	5
	Total Points	20

Subcontractor Utilization. Complete Section 9 on Page 5 for the subcontractors you plan to utilize. Attach a copy of the current M/WBE certificate or proof of M/WBE certification for each M/WBE subcontractor. Contact the M/WBE Department if you would like a listing of certified M/WBE subcontractors or suppliers.

Section 13. | Recognized Certifying Agencies

The district accepts M/WBE certifications issued by:

North Central Texas Regional Certification Agency (NCTRCA)
D/FW Minority Supplier Development Council (DFW MSDC)
Department of Transportation (DOT)
City of Houston
City of Austin
National Minority Supplier Development Council (NMSDC)

State of Texas' Historically Underutilized Business (HUB)
Women's Business Council Southwest (WBC SW)
South Central Texas Regional Certification Agency (SCTRCA)
Corpus Christi Regional Transportation Authority
Small Business Administration (8A or certified SDB)
National Women's Business Enterprise Certification (WBENC)

Other certifications may be considered on an individual basis. Only certified disadvantaged, minority and women-owned companies will be counted towards the prime's M/WBE subcontracting goals. Vendors do not have to be a certified M/WBE to participate in the district's contracting and purchasing activities.

Section 14. | Certified M/WBE Prime Self-Performance

- The M/WBE prime must be a bona fide business with real and continuing ownership for more than a year prior to the solicitation and was not created merely for the purpose of meeting this evaluation criteria.
- The M/WBE prime must be certified at the time of submission of the proposal.
- The M/WBE prime must be economically independent, perform commercially useful functions and perform the management of the project or the specialty trade work, consistent with industry practices, with its own workforce.
- The M/WBE's self-performance of a specialty trade or project scope of work shall be counted toward the M/WBE goal up to a maximum of 50% of the M/WBE project goal.

For example, an M/WBE prime elects to self-perform the interior finish out painting which equals 10% of the project's total costs and the goal for the project is 30%. The M/WBE prime's participation will count 10% toward the M/WBE project goal of 30%. The remaining M/WBE subcontracting goal after applying the MWBE prime's self-performance on the project is a 20% M/WBE subcontracting goal.

- If the M/WBE prime's self- performance exceeds the M/WBE contract goal, a maximum of 50% of the M/WBE project goal will be applied toward the goal.

For example, the M/WBE prime self-performs the concrete work for the project and the concrete work is 30% of the total project costs. The MWBE prime's participation will count 15% toward the M/WBE project goal of 30%. The remaining M/WBE subcontracting goal after applying the M/WBE prime's self- performance on the project is a 15% MWBE subcontracting goal.

Section 15. | After Bid/RFP Submission

Letter of Intent. The awarded prime vendor who will subcontract portions of the work should complete the *Letter of Intent to Perform/Contract as an M/WBE Subcontractor* form (Section 11 on Page 8) for each proposed M/WBE subcontractor. The prime vendor will be required to provide the *Letter of Intent to Perform/Contract as an M/WBE Subcontractor* form at the contract negotiation meeting with the district, or as requested by the M/WBE Department.

Changes to the List of Subcontractors. A Request for Approval of Contract Change form must be submitted to the M/WBE Department for approval **prior** to any changes to the M/WBE subcontractor utilization listing in Section 9 on Page 5. A written justification and supporting documentation are required from the prime requesting the change. This applies after the Bid/RFP submission and throughout the contract duration.

Subcontractor Payment. The Prime vendor shall submit an M/WBE Pay Activity Report (PAR) indicating the amounts paid (along with required proof of payments) to its subcontractors with each pay application or as requested by the district.

- Acceptable proof of payments includes: (1) Emails from the Subcontractor verifying the payment amount, date paid, school name and/or org #, and project information (2) Partial Lien Releases, (3) Cancelled Checks, or (4) Proof of Electronic Funds Transfer;
- All Prime vendors must pay all submitted invoices, including retainage to subcontractors, suppliers, or entities within **10 days** of receiving payment from the district;
- No Prime vendor shall withhold a non-disputed subcontractor payment;
- No Prime vendor may withhold retainage greater than 5% from the subcontractor.

Contract Execution between Prime Vendor and Subcontractor. Prime vendor agrees to establish a written contract with each subcontractor. At minimum, the contract should include the scope of work, payment terms, prompt payment clause and retainage clause.

Changes to the original M/WBE Commitment – After Contract Execution. The prime vendor shall notify the M/WBE Department if the percentage of M/WBE participation falls below the level of participation represented in the contract. The prime vendor shall promptly notify the M/WBE Department within seven (7) days and obtain a listing of other certified M/WBE vendors to meet the commitment amount.

Records Retention. The prime vendor will be required to maintain records showing the subcontractor/supplier awarded contracts, subcontractor payment history, efforts to identify and award contracts to M/WBEs, and copies of executed contracts with M/WBEs. The contractor must provide access to books, records and accounts to authorized district, state and federal officials for the purpose of verifying M/WBE participation and good faith efforts. District contracts are subject to an M/WBE audit.

Section 16. | Prime-Subcontractor Teaming Agreement

The Prime-Subcontractor Teaming Agreement will be evaluated based upon the below referenced criteria. The designated subcontractor in this agreement must be a certified M/WBE. There is a maximum of five (5) numerical points available.

Proposer submitted a teaming arrangement and/or strategic partnership with subprime contracting with a certified MWBE firm(s). The certified MWBE firm(s) provides prime management, control and supervision of a clear and distinct portion of the specialty trade(s) or project scope of work in a meaningful and significant role(s). Proposer will establish a teaming agreement which defines the minimum M/WBE subcontractor commitment. The teaming agreement defines what trade(s) the subcontractor will perform and the subcontractor is certified in the respective subcontracting scope.

Section 17. | Joint Venture Program Information

The objective of the district’s Joint Venture (JV) Program is to further the development, growth, and capabilities of minority and women-owned businesses that allow such businesses to offer the district the best combination of performance, cost, and delivery of service. A JV is an association of two (2) or more companies with a certified minority or woman-owned business to form a new company. The Joint Venture parties are required to utilize the Dallas ISD Master Joint Venture Agreement. The agreement must be signed, dated and notarized by all Joint Venture parties. The Joint Venture does not replace a prime contractor’s responsibility to satisfy applicable M/WBE program requirements, including M/WBE goals. Failure to adhere to the terms and conditions outlined within the Dallas ISD Master Joint Venture Agreement may deem your Joint Venture response as non-responsive and result in a non-point award during evaluation.

Companies seeking to participate in a Joint Venture arrangement has the burden of demonstrating to the district, by a preponderance of the evidence, that it meets the requirements of Board Policy (CH) Local with respect to being an eligible Joint Venture for counting purposes. The district will analyze whether the stated Joint Venture is realistic considering the number of employees, experience, resources, certification type, and other resources that each party provides to the Joint Venture. The Joint Venture Partnership must include a certified M/WBE Partner, based on the percentage allocated, who is able to adequately bond the project, have the experience and resource to perform the services, labor or material listed.

The Joint Venture Partner(s) may provide co-surety bond or bonds in proportionate percentage to their ownership in the Joint Venture and to other parties are applicable in a form acceptable to the owner. The Joint Venture may also provide in a form acceptable to the owner any bond or bonds in the name of the Joint Venture in lieu of the co-surety arrangement; provide an Up Front Joint Agreement (SAA Form #1), and an executed copy of the indemnity agreement signed by all of the parties associated with the SAA Form #1.

A separate bank account in the name of the Joint Venture must be established by the Joint Venture. The bank account will require the signature of an authorized representative of each party or his or her designee for withdrawal by check or documented approval of an authorized representative for withdrawal by electronic means.

Refer to the district’s website at www.dallasisd.org/mwbe for the required Dallas ISD Master Joint Venture Agreement and Joint Venture Guidelines.

Section 18. | Goods and Services M/WBE Joint Venture Scoring Analysis

The Joint Venture (JV) Agreement will be evaluated based upon the below referenced criteria. One of the JV partners must be a certified minority or woman-owned business. There is a maximum of five (5) numerical points available. Refer to Section 17 on Page 12 for additional information.

The proposer must submit an approved, signed, dated, and notarized Dallas ISD Master Joint Venture Agreement. Any modifications to the Dallas ISD Master Joint Venture Agreement and amendments must be submitted for review with the proposal and include highlighted proposed changes or modifications to the agreement for review and approval of Dallas ISD’s M/WBE office.

A. M/WBE Joint Venture Partner	Points
Does it identify the distinct, clearly defined portion of the work provided by each M/WBE joint venture partner, in significant and meaningful ways? The work must be separate, clear and distinguishable. Specify the nature of the work and what it will entail. Complete exhibit A of the Dallas ISD Master Joint Venture Agreement.	3.00
B. Staffing Plan	
Does it provide a staffing plan to be determined per the established participation percentages indicating the number of employees to be provided by each M/WBE joint venture partner? This should include a project organizational chart and a resumé for each key personnel that includes length of employment, time serviced in their role(s), and experience within the industry. Complete exhibit B of the Dallas ISD Master Joint Venture Agreement.	1.00
C. Financial and Bonding Information	
Does it provide a letter from a financial institution or bonding surety company, substantiating the financial strength or bonding capacity of each M/WBE joint venture partner(s)? This document should commensurate each M/WBE joint venture partner(s) percentage split. Complete exhibit C of the Dallas ISD Master Joint Venture Agreement.	1.00
Total Points	5.00

Section 19. | Mentor Protégé Program Information

The Minority/Women Business Enterprise (M/WBE) Department's Mentor-Protégé program aims to stimulate the growth of minority and women-owned businesses through education, business development, and training. A mentor should be willing to advise and support the Protégé and help identify the needs and skills of the Protégé. Mentor Protégé Agreement, meeting minutes, progress reports, and deliverables should be signed by all parties, dated, and notarized.

must obtain your correct taxpayer identification number (TIN), which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following.

- Form 1099-INT (interest earned or paid).
- Form 1099-DIV (dividends, including those from stocks or mutual funds).
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds).
- Form 1099-NEC (nonemployee compensation).
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers).
- Form 1099-S (proceeds from real estate transactions).
- Form 1099-K (merchant card and third-party network transactions).
- Form 1098 (home mortgage interest), 1098-E (student loan interest), and 1098-T (tuition).
- Form 1099-C (canceled debt).
- Form 1099-A (acquisition or abandonment of secured property).

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

Caution: If you don't return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See *What is backup withholding*, later.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued);
2. Certify that you are not subject to backup withholding; or
3. Claim exemption from backup withholding if you are a U.S. exempt payee; and
4. Certify to your non-foreign status for purposes of withholding under chapter 3 or 4 of the Code (if applicable); and
5. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting is correct. See *What Is FATCA Reporting*, later, for further information.

Note: If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding. Payments made to foreign persons, including certain distributions, allocations of income, or transfers of sales proceeds, may be subject to withholding under chapter 3 or chapter 4 of the Code (sections 1441–1474). Under those rules, if a Form W-9 or other certification of non-foreign status has not been received, a withholding agent, transferee, or partnership (payor) generally applies presumption rules that may require the payor to withhold applicable tax from the recipient, owner, transferor, or partner (payee). See Pub. 515, *Withholding of Tax on Nonresident Aliens and Foreign Entities*.

The following persons must provide Form W-9 to the payor for purposes of establishing its non-foreign status.

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the disregarded entity.
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the grantor trust.
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust and not the beneficiaries of the trust.

See Pub. 515 for more information on providing a Form W-9 or a certification of non-foreign status to avoid withholding.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person (under Regulations section 1.1441-1(b)(2)(iv) or other applicable section for chapter 3 or 4 purposes), do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Pub. 515). If you are a qualified foreign pension fund under Regulations section 1.897(l)-1(d), or a partnership that is wholly owned by qualified foreign pension funds, that is treated as a non-foreign person for purposes of section 1445 withholding, do not use Form W-9. Instead, use Form W-8EXP (or other certification of non-foreign status).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a saving clause. Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items.

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if their stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first Protocol) and is relying on this exception to claim an exemption from tax on their scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 24% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include, but are not limited to, interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third-party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester;
2. You do not certify your TIN when required (see the instructions for Part II for details);
3. The IRS tells the requester that you furnished an incorrect TIN;
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only); or
5. You do not certify to the requester that you are not subject to backup withholding, as described in item 4 under "*By signing the filled-out form*" above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code*, later, and the separate Instructions for the Requester of Form W-9 for more information.

See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier.

What Is FATCA Reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all U.S. account holders that are specified U.S. persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code*, later, and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you are no longer tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

If you are required to complete line 3b but fail to do so, you may not receive the information necessary to file a correct information return with the IRS or furnish a correct payee statement to your partners or beneficiaries. • Payments made in settlement of payment card or third-party network transactions	Exempt payees 1 through 4.

¹ See Form 1099-MISC, Miscellaneous Information, and its instructions.

² However, the following payments made to a corporation and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, gross proceeds paid to an attorney reportable under section 6045(f), and payments for services paid by a federal executive agency.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) entered on the line for a FATCA exemption code.

L—A trust exempt from tax under section 664 or described in section 4947(a)(1).

M—A tax-exempt trust under a section 403(b) plan or section 457(g) plan.

Note: You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns. If this address differs from the one the requester already has on file, enter "NEW" at the top. If a new address is provided, there is still a chance the old address will be used until the payor changes your address in their records.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have, and are not eligible to get, an SSN, your TIN is your IRS ITIN. Enter it in the entry space for the Social security number. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN.

If you are a single-member LLC that is disregarded as an entity separate from its owner, enter the owner's SSN (or EIN, if the owner has one). If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note: See *What Name and Number To Give the Requester*, later, for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.SSA.gov. You may also get this form by calling 800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/EIN. Go to www.irs.gov/Forms to view, download, or print Form W-7 and/or Form SS-4. Or, you can go to www.irs.gov/OrderForms to place an order and have Form W-7 and/or Form SS-4 mailed to you within 15 business days.

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and enter "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, you will generally have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note: Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon. See also *Establishing U.S. status for purposes of chapter 3 and chapter 4 withholding*, earlier, for when you may instead be subject to withholding under chapter 3 or 4 of the Code.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if item 1, 4, or 5 below indicates otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code*, earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third-party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), ABLE accounts (under section 529A), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records From Identity Theft

Identity theft occurs when someone uses your personal information, such as your name, SSN, or other identifying information, without your permission to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax return preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity, or a questionable credit report, contact the IRS Identity Theft Hotline at 800-908-4490 or submit Form 14039.

For more information, see Pub. 5027, Identity Theft Information for Taxpayers.

Victims of identity theft who are experiencing economic harm or a systemic problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 877-777-4778 or TTY/TDD 800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 800-366-4484. You can forward suspicious emails to the Federal Trade Commission at spam@uce.gov or report them at www.ftc.gov/complaint. You can contact the FTC at www.ftc.gov/idtheft or 877-IDTHEFT (877-438-4338). If you have been the victim of identity theft, see www.IdentityTheft.gov and Pub. 5027.

Go to www.irs.gov/IdentityTheft to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and territories for use in administering their laws. The information may also be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payors must generally withhold a percentage of taxable interest, dividends, and certain other payments to a payee who does not give a TIN to the payor. Certain penalties may also apply for providing false or fraudulent information.
