Glen Cove High School

International Thespian Society: Troupe

The International Thespian Society is a unique opportunity to be a part of an honorary school theatre troupe. You will receive points based on your achievements in theatre inside and outside of school. These points provide benefits such as membership cards and pins, along with the ability to participate in the International Thespian Festival. This will also be a great addition to your resumes. Requirements include that you must be currently enrolled in a theater course. This includes Theatrical Production Laboratory as an option.

Members must also maintain a **3.0 GPA** and have previous theatrical experiences.

For More Info: [International Thespian Society - Educational Theatre Association](#)

Please fill out the following application for consideration.

Please type your responses or print with blue or black ink legibly.
