College and Career Specialist: Christina Park

Today you are going to:

- 1. Review your Transcript**
 - 2. Complete a Credit Evaluation**
 - 3. Determine what classes you still need to take to both earn your diploma and prepare for your post-secondary plan.**
-
- 1. Receive and complete the AP/College in the HS Contract**
 - 2. Begin entering your course selections onto the Registration Form**

Check your transcript for Accuracy

- Your transcript is a legal document of every class that you have taken in high school.
- It lists the classes that you took each trimester
- What your grade earned was in that class
- The credit that you earned per class.
- It is the document that you use when applying to colleges and scholarships.

- Each one of these boxes represents a .50 trimester credit
- In order to earn a Lindbergh diploma, you must successfully pass and earn credit for each one of these classes.

Super Important-

If at any time you did not receive credit for a class—grade of F, I, W or NC
Then do NOT mark it off as completed.

If it is on this Credit Check form, then it is a requirement for your diploma.

You are going to need to retake this class and earn the credit in order to graduate!

Contact your counselor so you can retake it this Spring or Summer---or be sure to register for the class for next year so you have all your graduation requirements!!!!

Science

A minimum of three years (6 trimesters) of Science are required for your diploma.

- Most of you took **BIOLOGY A** in trimester 1
- You have two options:
 - 1.) You can take CHEMISTRY next year if you are planning to go to a 4-year university after high school
 - 2.) You can choose any science class on the course offering sheet like Anatomy & Physiology, Environmental Science, Robotics, Pre-Engineering, etc.

PE and Health

- **1.50 credits (Three trimester classes) of Physical Education is a graduation requirement.**
- **Health – a .50 credit of Health is required.**
You can find this in your ninth-grade year.

Hint: If you were in a different district in ninth and tenth grade then you may not have taken Health yet. If you can not find Health on your transcript, then you are going to need to take it next year as a senior. It is a requirement for a diploma.

World Language

Two years of a World Language
are required for admission to a 4-year university

For University Admissions:

- ✓ 2 years must be the same language.
- ✓ Competitive universities prefer 3 or more years of the same language.
- ✓ Same language must be taken consecutively, no gap year in between

World Language Exam

- ✓ If you can speak, read and write another language then you can earn up to 4.0 credits.
- ✓ This exam is offered twice each year, Fall and Spring quarter.
- ✓ Exams are available in over 100 different languages!
- ✓ Credits earned = number of years of world language for university

Fine Arts

What Counts as a Fine Art?

- Band
- Orchestra
- Choir
- Art
- Ceramics
- Visual Communications and Digital Design
- Video Foundations and Production
- Video Game Design
- Journalism
- Yearbook
- Drama
- Piano

Video Game Design, Journalism and Yearbook will count as fine arts for meeting your high school diploma however neither class fulfills the fine art requirement for university admissions.

Career and Technical Education

You need 2 trimesters

What classes count as a “CTE” credit?

Look on your transcript

– any class marked with a **PVO** code counts as a CTE credit

or

Look on the Course Offering Sheet

– any class marked with an **asterisk** counts as a CTE.

PPR Stands for
“Personal Pathway”

FINE ARTS (2 credits, one of which may be PPR)

WORLD LANGUAGE or PPR (2 credits)

You get to make a choice:
Personal Pathway or
2 credits of a World Language

What is the PPR?

PERSONALIZED PATHWAY

Personalized pathway is for students who are passionate about a field that does not require a 4-year education, they can take 3 credits that will prepare them for a field to replace the 2 credits of World Language and 2nd credit of Fine Art.

Example 1: A student who wishes to go directly to a 4-year university would need to earn:

- 2.0 credits of World Language
- 1.0 additional credit of Fine Art

Example 2: A student who plans to become a graphic designer, and will attend a 2-year college to start, could take:

- 1.0 credit of Visual Communications
- 1.0 credit of Website Design
- 1.0 credit of Introduction to Marketing

Electives – What is an “Elective”

There is no magic list of electives

An “Elective” is simply classes that you take in addition to the basic requirements.

Your elective choices should prepare you for: **“What are you graduating to?”**

- Two-year Community Colleges
- Four-year Colleges and Universities
- Career/Technical Trade Schools
- Apprenticeship
- Military
- Employment
- Courses that don’t necessarily apply to any of the above, but look like something you’d like to try (you never know where it might lead!)

If you are planning to apply directly to a four-year university then your electives are going to be:

MINIMUM COLLEGE ADMISSIONS STANDARDS
at Washington's Public Four-Year Colleges

REQUIRED CREDITS

- 4 credits of English
- 3 credits of math including Algebra 2
- Senior year quantitative math
- 3 credits of social science
- 3 credits of science
- 2 credits of world languages
- 1 credit of fine arts

More: Math, Science and World Languages

Make yourself academically competitive while still maintaining a strong gpa and a healthy balance.

Meeting the minimum entrance requirements does not guarantee admittance.

Some colleges have additional requirements, so visit their websites to see what else they require.

What are you trying to graduate to?

What would your electives be if:

- You want to do something in Construction?
- You want to join the Marines?
- You want to start your own business?
- You want to work at Boeing?
- You want to be a Nursing Assistant?
- You want to pursue a career in the Performing Arts?

Thus- anything can be an “Elective”.

- For some of you it may be more sciences and more math classes.
- For others it may be construction, strength training, business classes etc
- It is up to you and your future plans as to what courses you choose to fulfill your elective boxes.

Look at your completed credit check.

- Any classes that are not marked off as either completed or that you are currently taking are required for your diploma.
- You MUST register for these classes if you want to graduate.

Remember to turn in your signed AP and College in the High School Contract to your counselor!

- If you entered any AP or College in the High School classes into Skyward, then you must complete and sign this form.
- Find the form under the “Class of 2028 – Current Freshman” Tab in the Registration portion of the Counseling Website
- It is a fillable pdf. This means that you should download the form and then save it to your desktop. You, and your parents can electronically complete and sign it and then email it to your counselor.
- If you do not turn in this form to your counselor, then your AP or College in the High School classes can not be scheduled.

Honors/AP/CIHS classes registered for the 2025 - 2026 school year:

- *I understand that Honors/AP/CIHS courses require more work outside of class and higher-level thinking.*
- *I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).*
- *I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, or CIHS classes that I sign up to take.*
- *I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.*
- *I understand I must pay approximately \$99 (unless I am on free/reduced lunch) if I elect to take an AP exam and potentially earn college credit.*

Questions:

- **Counselors are available every day before school and during lunch. Pop in and see us.**
- **Your teachers are smart! They can answer almost all registration questions.**
You see them in class everyday- just ask 😊
- **See our Registration Q and A Sheet on the school website.**
- **Teachers are the experts about the classes offered in their subject area. If you have questions about a specific class or content area, ask your teacher who teaches that subject (ie what Science should I take next year? Ask your science teacher for their opinion).**
- **All registration materials are posted on our website for your review at any time.**

**Registration Forms
are due
at the end of Homeroom
this coming
Monday, January 27th**
