MATH

A minimum of three years of Math are required for a Lindbergh diploma.

Algebra and Geometry are required along with a third year of math.

If a student has an IEP in Math, then their IEP math classes count in the math boxes.

Check off the math classes that you passed now

MATH (3 credits)		
Algebra	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Geometry	<input type="checkbox"/>	<input type="checkbox"/>
3 rd year qualifying math	<input type="checkbox"/>	<input type="checkbox"/>

Common Questions

Question: “What if I took Algebra or Geometry in middle school?”

-Only check them off if they appear on your transcript

Question: “How do I get my Algebra or Geometry from middle school added to my transcript?”

-Your counselor can give you a form to be signed for your middle school grades

SOCIAL STUDIES

-These classes count as
Social Studies elective:

- World History A
- CiHS World History
- Psychology
- AP Psychology
- Criminal Justice
- Art History
- Human Geography
- Sociology

-You will take US History in
Junior year and Civics in
Senior year

SOCIAL STUDIES (3 credits)		
Social Studies Elective	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
US History	<input type="checkbox"/>	<input type="checkbox"/>
Civics/CWP	<input type="checkbox"/>	<input type="checkbox"/>

SCIENCE

- You probably took Biology A&B in Freshman year
- You may have also taken:
 - AP Biology
 - Anatomy and Physiology
 - Robotics
 - Pre-Engineering
 - Human Impacts
 - CWU Environmental Science
 - CHEM 140

SCIENCE (3 credits)

- Any blank boxes you have left are science classes that you will need to take before you graduate

PE AND HEALTH

- **1.5 credits (Three classes) of Physical Education is a graduation requirement.**
- **Health – a .50 credit of Health is required.**
You can find this in your ninth-grade year.

Hint: If you were in a different district in ninth and tenth grade then you may not have taken Health yet. If you can not find Health on your transcript then you are going to need to take it before you graduate. It is a requirement for a diploma.

Career and Technical Education

You need 2 trimesters

What classes count as a “CTE” credit?

Look on your transcript

– any class marked with a PVO code counts as a CTE credit

or

Look on the Course Offering Sheet

– any class marked with an asterisk counts as a CTE.

Fine Arts

What Counts as a Fine Art?

- Band
- Orchestra
- Choir
- Piano
- Art
- Ceramics
- Drama
- Photography
- Visual Communications
and Digital Design
- Video Foundations
and Production
- Digital Sound Production
- Website Design
- Game Design
- Journalism
- Yearbook

Website Design, Game Design, Journalism and Yearbook will count as fine arts for meeting your high school diploma however they do not fulfill the fine art requirement for university admissions.

WORLD LANGUAGE

Two years of a World Language are required for 4-year universities

- The two years must be the same language.
- Competitive universities prefer three or four years of the same language.

World Language Exam (STAMP Test)

If you can speak, read and write another language then you can earn credit.

Exams are available in over 100 different languages!

What is the PPR? PERSONALIZED PATHWAY

Personalized pathway is for students who are passionate about a field that does not require a 4-year education

Example 1: A student who wishes to go directly to a 4-year university would need to earn:

- 2.0 credits of World Language
- 1.0 additional credit of Fine Art

Example 2: A student who plans to become a graphic designer, and will attend a 2-year college to start, could take:

- 1.0 credit of Visual Communications
- 1.0 credit of Website Design
- 1.0 credit of Introduction to Marketing

There is no magic list of electives

An “Elective” is simply classes that you take in addition to the basic requirements.

Your elective choices should prepare you for your post-high school goals:

- Two-year Community Colleges
- Four-year Colleges and Universities
- Career/Technical Trade Schools
- Apprenticeship
- Military
- Employment
- Something you’d like to try (you never know where it might lead!)

If you are planning to apply directly to a four-year university then your electives are going to be:

**MINIMUM COLLEGE ADMISSIONS STANDARDS
at Washington's Public Four-Year Colleges**

REQUIRED CREDITS	
<input type="checkbox"/>	4 credits of English
<input type="checkbox"/>	3 credits of math including Algebra II or Integrated Math III
<input type="checkbox"/>	Senior year quantitative math
<input type="checkbox"/>	3 credits of social science
<input type="checkbox"/>	2 credits of science
<input type="checkbox"/>	2 credits of world languages
<input type="checkbox"/>	1 credit of arts

More: Math, Science and World Languages

Make yourself academically competitive while still maintaining a strong GPA and a healthy balance.

Meeting the minimum entrance requirements does not guarantee admittance.

Some colleges have additional requirements, so visit their websites to see what else they require.

What are you trying to graduate to?

What would your electives be if:

- You want to do something in Construction?
- You want to join the Marines?
- You want to start your own business?
- You want to work at Boeing?
- You want to be a Nursing Assistant?

Thus- anything can be an “Elective”.

- For some of you it may be more sciences and more math classes.
- For others it may be construction, strength training, business classes etc
- It is up to you and your future plans as to what courses you choose to fulfill your elective boxes.

SHOULD I STILL REGISTER FOR CLASSES AT LINDBERGH IF I AM WANTING TO DO RUNNING START NEXT YEAR?

YES!

Register for Classes at Lindbergh even if you think you are going to transfer to Running Start!

- If you decide that you are serious about enrolling in Running Start become aware of the registration dates for the community college you are wishing to attend. The earliest opening for fall applications is not until March.
- Do not gamble your diploma! Register for classes at Lindbergh just in case you do not end up at Running Start.
- If you become successfully registered for Running Start later in the Spring, then your counselor will simply drop your Lindbergh Course Selections.

TRYING TO DECIDE WHETHER TO DO RUNNING START?

Benefits

- Getting college credits for little cost (class fees and books still have cost, can be waived with Free/Reduced lunch status)
- Colleges offer classes that we do not, including ones that may be relevant to your career path
- Becoming a more independent student
- Discover your passions for post-high school plans

Risks

- Grades go on your permanent college transcript
- Lindbergh teachers/counselors are not able to provide support
- If you are not ready for college level classes, you will fall behind in high school requirements as well
- The effect on mental health and wellbeing is a significant consideration

RUNNING START?

- Are you thinking about Running Start? Do you need more information?

Go to our Counseling Webpage and we have an entire section devoted to Running Start. It will explain everything you could possibly want to know.

The screenshot shows the website for Lindbergh High School. At the top left is the school logo and name. To the right are navigation links: STUDENTS & FAMILIES, COMMUNITY, STAFF RESOURCES, and RSD LOGIN PORTAL. Below this is a dark blue navigation bar with white text for: OUR SCHOOL, FOR STUDENTS, FOR FAMILIES, ATHLETICS, COUNSELING (highlighted in red), and CAREER CENTER. The main content area has a left sidebar with links: LHS Counseling Staff, Counseling Support During Covid, Self-Care Presentation, Graduation Requirements, Course Catalog for High School Students, Applying to Four-year Colleges, Universities and Scholarships, Transcript Request, Running Start, and Credit Recovery. The main content area is titled 'RUNNING START' and features a yellow highlighted link for 'Running Start Informational Video'. Below this, the text explains that Running Start is a statewide program for juniors and seniors to enroll in college courses at local community colleges. It details that students can enroll in high school and college classes simultaneously, with college tuition for up to 15 credits paid through Running Start. It also notes that students are responsible for transportation, books, and fees. Further down, it states that Lindbergh High School students participating in Running Start must keep themselves informed about the school calendar and activities. It also mentions that seniors must complete their High School and Beyond Plan and that the high school is the final authority on graduation requirements. The page concludes by stating that once students begin college courses, they are considered 'regular' college students and are expected to meet class deadlines and be prepared for class.

Honors/AP/CIHS classes registered for the 2025 - 2026 school year:

- I understand that Honors/AP/CIHS courses require more work outside of class and higher-level thinking.
- I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).
- I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, or CIHS classes that I sign up to take.
- I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.
- I understand I must pay approximately \$99 (unless I am on free/reduced lunch) if I elect to take an AP exam and potentially earn college credit.

Questions:

- Counselors are available every day before school and during lunch. Pop in and see us.
- Your teachers are smart! They can answer almost all registration questions. You see them in class everyday- just ask 😊
- See our Registration Q and A Sheet on the school website.
- Teachers are the experts about the classes offered in their subject area. If you have questions about a specific class or content area, ask your teacher who teaches that subject (ie what Science should I take next year? Ask your science teacher for their opinion).
- All registration materials are posted on our website under the “Counseling” dropdown menu
