2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Admission Requirements for the University of California (UC)

Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <https://admission.universityofcalifornia.edu/>.

Admission Requirements for the California State University (CSU)

Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <https://www2.calstate.edu/>.

2024-25 School Description and Mission Statement

Colonial Heights is located in the northern part of Lincoln Unified School District, in Stockton, California, a city of nearly 320,000 people. The Colonial Heights vision is to create a safe, respectful, and inclusive learning environment while promoting a community of resilient and responsible citizens. The Colonial Heights mission statement is: We believe in acceptance and compassion. We respect and value every student and strive to appreciate diverse life challenges with the expectation that every child reaches their full potential. Our core values are: Perseverance, Integrity, Learning, Collaboration, and always Doing Our Best.

2024-25 School Description and Mission Statement

Colonial Heights is a school of diversity, both socioeconomically and ethnically, serving approximately 585 students in preschool through 8th grade. A little more than 85% of Colonial Heights students qualify for free/reduced lunch with approximately 9.2% classified as English Language Learners. Colonial Heights takes pride in being such a diverse school and works hard to address students' academic and emotional needs. A Single Plan for Student Achievement has been developed, and our school's goals pertaining to student achievement are based on the following areas of identified need: Provide all students with access to broad and challenging curriculum to ensure all students graduate college/career ready, Accelerate student learning with high expectations for all to increase student achievement for all student groups, Cultivate safe, engaging, and inclusive classrooms, schools and District to support the whole child, Provide quality leadership, teaching, and learning to ensure a premium education for all students to maximize students' academic achievement, and Include families and community and create learning environments worthy of our students to ensure students want to attend and feel safe at school.

All Colonial Heights community members, students, teachers, staff, and parents, work collectively to support student achievement in the above identified areas and meet regularly to look at data and discuss student progress. A unique feature of Colonial Heights is our Learning Center where our students with disabilities are educated alongside their peers in our general education classrooms, with curricular adaptations and accommodations made as needed to support students' learning goals. Promoting an environment that empowers students by respecting and appreciating what makes them different in terms of gender, ethnicity, disability, and beyond is a top priority of Colonial Heights School. Additionally, students identified as struggling may receive support from a variety of highly qualified teachers and staff members including a school counselor, nurse, special education teacher and/or Title I teacher. We are proud of our diverse population, embrace inclusion for all, and work hard to provide all students with the tools they need to be successful lifelong learners.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements

Colonial Heights School is located in a suburban area of north Stockton, and resides in the Lincoln Unified School District. It was built in 1954. The campus consists of twenty-nine permanent classrooms, 4 portables, a library, multi purpose room, office with staff lounge, a learning center, and 4 playgrounds. A day time custodian, with the assistance of 2 night custodians, ensure cleaning of the school campus daily. Grounds and maintenance crews visit the campus bi-weekly ensuring the outside is well maintained and welcoming to school visitors.

The campus has been remodeled in the recent past and is generally in good condition minus the asphalt encompassing student basketball courts. The entire outside of the school was painted during the summer of 2024.

Colonial Heights has a full-time safety officer. Teachers and staff work to supervise students before, during, and after school hours.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24

Mathematics (grades 3-8 and 11)	22	24	28	28	34	35

2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2024-25 Opportunities for Parental Involvement

Colonial Heights School staff regularly engages parents and guardians in meaningful ways and supports a partnership between school, home, and the community in an effort to improve student achievement. We host Math, Science, and Literacy Nights to promote student learning. The school uses Parent Square and Aeries to regularly update parents/guardians about events and student progress. Parents receive information on curriculum, assessments, and grade level standards during Back-to-School Night in August each year. Teachers also meet with parents/guardians at least twice per year during conference weeks. Parents can join our Parent Teacher Student Association as a member or run for a board position. Our PTSA hosts schoolwide events such as art and movie nights each year. For information, please email Principal Lance Morrow at lmorrow@lUSD.net. Parents and guardians of students who are English learners are encouraged to attend our English Learner Advisory Committee meetings. For more information on ELAC, please contact Title 1 teacher Kadie Collette at kcollette@lUSD.net. Parents and guardians who are interested in making site-based decisions are encouraged to join School Site Council. If interested, please contact Principal Lance Morrow at lmorrow@lUSD.net.

2024-25 School Safety Plan

Emergency Response Procedures were developed in coordination with the California Safe Schools program and are revised and updated each year with the support of LUSD security and LUSD School Resource Officer. These are detailed in the School Safety Plan and support responses needed depending on the type of emergency. The staff is trained on procedures to follow during an emergency. The staff and students participate in regular drills to practice the procedures. The School Safety Plan was last reviewed and updated in February 13, 2024.

Fiscal Year 2023-24 Types of Services Funded

Colonial Heights School has a fully functioning Academic Support Team (AST) consisting of the school principal, assistant principal, school psychologist, school counselor, Title I teacher, three special education teachers, and a speech teacher. The team meets weekly and confers with general education teachers and staff regularly (but no less than monthly). The AST is dedicated to identifying and supporting students exhibiting academic or behavioral issues by providing assistance to these students and connecting them to appropriate interventions and supports. Such supports may include: counseling, Title I and/or Special Education assistance, behavioral intervention, and whole family support services. With the aid of the classroom teacher, the AST monitors, reviews, and revises student support plans to ensure that the suggested programs, supports, and/or accommodations are effective and students are finding success.

In addition to our AST, Colonial Heights site leadership team meets monthly. The leadership team is led by the principal and includes one teacher from each grade level, the Title 1 teacher, a special education teacher, and our school counselor. Colonial Heights also has contracted representatives and clinicians from the Child Abuse Prevention Council (CAPC) and Valley Community Counseling Services who, on a referral basis, provide ongoing counseling, therapy, and support to our K-8 students. Student Success Team (SST) Meetings are held regularly with parents/guardians to discuss student needs, concerns, progress, and plans for intervention. SST's include parents/guardians, classroom teachers, a member of the Academic Support Team, and an administrator.

Colonial Heights has 2 full time school counselors that meet regularly with students for individual counseling and small groups that focus on topics such as anti-bullying and anger management. The counselor also facilitates community circles in classrooms. Colonial Heights has a full time Title 1 teacher who, through small group learning, focuses on improving reading outcomes for students. Students who have an Individualized Education Plan are educated as much as possible in the general education setting, with pull-out instruction as needed to support students' individual goals and to provide speech and language services. Other important support services include a full-time safety officer who works daily to keep our campus safe as well as to build positive relationships with students, staff, parents/guardians, and the community.
